Summary

For the Council to consider and approve the Annual Report for the financial year ended 30th June 2021 (as included in the papers relating) and to set the date for the Annual Electors Meeting.

Background

The Audited Annual Financial Report and Auditor's Report were presented to the Council at its ordinary meeting held on 26th April 2022 and the Council resolved the following:

That the Council of the Shire of Dundas

- 1. Accept the recommendation of the Audit Committee that the Audit Report for 2020/2021 as included in the papers relating be accepted;**
- 2. Accept the Annual Financial Report for the financial year ended 30th June 2021 as included in the papers relating.**

Statutory Environment

The Local Government Act requires that the local government accept the Annual Report by the 31st December following the year subject to the audit report being available. If the audit report is not available to allow the local government to accept it by that date, then the annual report needs to be received within two months of the audit report being received. Due to changes in the new Financial Standards introduced by the Office of the Auditor General there was a delay in receiving the Financial Statements causing subsequent delay in the Annual Report being adopted.

The Act also requires that a General Electors Meeting be held within 56 days of the local government accepting the annual report of the previous financial year.
