Summary

For the Council to consider the outcomes of the 2018 Compliance Audit Return as shown in the papers relating.

Background

Each year Council is required to complete an annual Compliance Audit Return (CAR) for the calendar year immediately preceding (1st January to 31st December) as published by the Department of Local Government. The CAR is then to be reviewed by the Audit Committee and a report presented to Council prior to the adoption of the CAR.

The 2018 CAR was completed in house by the Senior Administration Officer with the assistance of the Deputy CEO through the inspection of various documents and records including: minutes, tender register, financial interest & returns register, complaints register, delegations register etc.

The CAR is one of the tools that allow Council to monitor how the organisation is functioning in relation to compliance and with the Local Government Act 1995 and its subsidiary regulations. This year's return again places emphasis on the need to bring to the attention of Council any cases of non-compliance or where explicit full compliance was not achieved. Comments are included in the return to provide further clarification where necessary.

Statutory Environment

Section 7.13 (1) (i) of the Local Government Act and Audit Regulations 13 to 15.

In brief the process is: -

- a) a compliance audit must be carried out for the period 1 January to 31 December in each year;
- b) a compliance audit return, in a form approved by the Minister, is to be completed;
- c) the return is to be presented to the Council at a Council meeting;
- d) the return is to be adopted by the Council;
- e) the return is to be recorded in the minutes of the meeting at which it was adopted;
- f) a certified copy of the return, together with a copy of the Council minutes adopting the return and any additional information explaining or qualifying the return, is to be sent to the Director General of the Department for Local Government and Regional Development by 31 March. Note – “certified” means signed by the President and the CEO.

Comment

Through a total of 95 questions the 2018 CAR concentrates on the statutory obligations of the local government in the areas of:

- Commercial Enterprises by Local Governments 5
- Delegation of Power/Duty 13
- Disclosure of Interest 16
- Disposal of Property 2
- Finance 16
- Integrated Planning and Reporting 7
- Local Government Employees 5
- Official Conduct 6
- Tenders for providing goods and services 25

Based on the outcome of the return, the Shire of Dundas achieved 100% compliance, an improvement on the 2017 CAR with 99%.
