8.2 Reports of Committees

8.1.1 GVROC

Council representatives Cr Bonza and Cr Warner

Cr Bonza has reported the following items:

- A GVROC meeting was held in Esperance 31st March.
- Kyle McGinn, (Member for Mining & Pastoral region) - Chairing a task force on setting up a shipping supply chain in WA to move cargo from East to West and up and down West coast.
- LG legislation changes have been tabled in Parliament and are progressing.
- Different opportunities are being explored to increase water reliability in the Goldfields.
- Minister Sabine Winton, Minister for Early Childhood Education, Child Protection, Prevention of Family Violence and Domestic Violence and Community Services will visit the northern Goldfields on 28th April.
- Modular housing roll-out continues.
- Issues raised – increasing number of mine trucks on roads and no forward planning to increase road funding to address rising costs from extra road use. All forward planning based on previous costs and not taking increased use into account.
- Lack of consultation around the new firearms regulations in relation to the buyback of equipment associated with now-banned firearms / mental health checks.
- Concerns raised re: funding for the new Aboriginal Cultural Heritage Act. Regs should be in place 'soon'.
- Shelley Payne, (Member for Agricultural region) – commended GVROC on current projects in relation to climate, land and housing.
- There has been a change to the Land Admin Act to allow for renewable projects to be conducted on Pastoral leases.
- Ms Payne is working with the State Govt to assist LGs with the costs associated in getting GPs into the regions.
- WAPOL Superintendent for Goldfields Esperance, Stephen Thompson – property crime decreased during COVID. DV incidents remained. Currently seeing increased incidence of mental health/personal risk issues which are growing in complexity.
- Increased use and availability of technology is assisting in faster resolutions of crime incidents. Police still need to be visible and seen to be actively visible.

- Commended the Safer Communities Plan which was born out of excellent work by Leonora Shire. Gives data for allowing placement of resources where most needed and better planning.
- DFES, Exec Director Rural Fire Division, Murray Carter – we've had a relatively quiet fire season. There has been and still ongoing recovery period from the Woorooloo fires, cyclone Seroja, 4x level 3, Wheatbelt fires and ongoing infrastructure issues associated with the Fitzroy flooding events.
- Bushfire risk management planning – 90 LGs in programme. GVROC area currently has 4 in the programme with the other 5 to come. Subject to 5yr review. Dundas plan close to being accepted.
- The combined Emergency Services Act is providing some challenges in combining 3x outdated Acts into one. Draft bill to come out this year.
- Water bombers – strategic locations for placement being looked at. Also, review of type and size of bombers in relation to possible airstrip upgrades required etc.
- Telecommunications back-up needs to be improved during bushfires.
- Having a rescue helicopter based in Kalgoorlie needs to be reviewed and revisited.
- WALGA, Susie Moir – consultation into the Best Practice Governance review ongoing
- Preparing a case for Ministerial consideration into a cyber security unit to assist LGs.
- Congratulations to GVROC on Climate Alliance Project.
- Aboriginal Cultural Heritage Act info sessions to commence in May.
- Consultation commenced for Disability Service Act.
- DLGSC, Kelly Waterhouse – various funding available for sport and rec projects.
- Dept. Deputy DG would like to spend a week in the GE region. Dates to be advised.
- GEDC, Kris Starceвич – new Minister may have a different focus.
- The State budget is due early May. Ministers will visit regions, including Esperance and Kalgoorlie to provide info at breakfast sessions.
- RDA, Lee Jacobsen – new Director appointed. Sharon Henderson will commence 16th April.
- Various grants available for Mobile Blackspot funding, indigenous art support programmes, national disability initiatives.
- General business – new MOU for GVROC members, housing strategy update, Safer Goldfields Regional Action Plan update.
- Support for our motion to ALGA NGA conference in relation to Federal support for medical services for all regional and remote councils.
- New regional land use planning strategy for the GE region
- The next GVROC meeting will be held via Zoom on Friday 21st April to consider State Council agenda for SC meeting on 3rd May.

8.1.2 WALGA

Council representatives Cr Bonza and Cr Patupis

Cr Bonza has reported the following items:

- State Council meeting will be held 3rd May hosted by City of Armadale.
- Other WALGA news as per GVROC report from Susie Moir.
- A number of items have been dealt with by 'Flying Minute' between SC meetings, including new appointment to the LGIS board, proposed E-waste to landfill regulations, a review of the State Govt response to the COVID pandemic to which a submission was also lodged on behalf of the Shire of Dundas.

8.1.3 Regional Roads Group

Summary

An application for development approval has been received by the Shire for the development of two (2) additional worker-accommodation dwelling units and an enclosure for the storage of bins and LPG cylinders upon lot 280, HN 128 Prinsep Street Norseman.

Council previously granted conditional development approval for the development of 7 worker-accommodation dwelling units in a 2-storey building at its December 2021 Ordinary Meeting. These have now been constructed (although landscaping of the development remains outstanding).

It is deemed that the proposed additional dwelling units are unlikely to have any adverse impact upon the surrounding locality, especially in respect to the locality's amenity and the surrounding road network. Further, there is sufficient area within lot 280 to accommodate an appropriate sized onsite effluent disposal system to service up to 10 dwellings.

On this basis it is recommended that development approval be granted for the proposed two additional worker-accommodation dwelling units subject to the façade of these units being clad in timber matching or similar to the timber clad facades of the existing 2-storey accommodation block.

It is also recommended that the enclosure for the storage of bins and LPG cylinders be approved as well.

Background

The subject land is currently developed with 7 worker-accommodation dwelling units in a 2-storey configuration, for which development approval was granted by Council at its December 2021 Ordinary Meeting.

Following a review of the design, layout and costing of the proposed development by the proponent (Resource Accommodation Management P/L) further development approval from Council was sought to a number of modifications to the aforementioned approved development.

The principal modification requested was re-siting the proposed 2-storey accommodation block from near the rear of the lot towards its middle to accommodate a future onsite effluent disposal area within the lot's rear setback area. The onsite wastewater disposal system was to be substituted for the connection of the 2-storey accommodation block to the private sewerage scheme that had installed by the proponent at 51 Richardson Street Norseman to service its other workforce accommodation developments within Norseman.

The proponent had determined that connection of the 2-storey accommodation block to its private system was cost-prohibitive.

Advice from the proponent's plumber stated that the proposed onsite effluent disposal system can be designed to accommodate up to 10 dwelling units.

This revised layout required the approved BBQ facility to be relocated adjacent to the proposed laundry on the western side of the lot.

These and other minor modifications were approved by Council at its December 2022 Ordinary Meeting. A copy of the amended development approval granted for these modifications is provided at papers relating item 10.1.1 **Attachment 1**.

A copy of the approved revised site development plan is provided at papers relating item 10.1.1 **Attachment 2**.

It is understood that the approved development has been completed (although no check has yet been made as to whether all conditions of the modified development approval have been fulfilled).

Proposal Overview

The proposed development that is the subject of this report and current application for development approval comprises the following:

1. The addition of 2 dwelling units in a single storey building located in front of the existing 2-storey accommodation block and along the lot's eastern boundary; and
2. A screened enclosure for the storage of bins and LPG gas cylinders at the rear of the existing laundry.

A further revised site development plan denoting the location and position of these additions is provided at papers relating item 10.1.1 **Attachment 3**.

A floor plan and elevations of the proposed accommodation block is provided at papers relating item 10.1.1 **Attachment 4**.

Elevation drawings of the whole of the existing and proposed development within lot 280 is provided at papers relating item 10.1.1 **Attachment 5**.

An illustration of the proposed accommodation block as viewed from Prinsep Street is provided underneath.

Proposed 2 additional dwelling units

The accommodation block is proposed to be set back 12.1 metres from its Prinsep Street lot boundary, and 1.5 metres from the lot's eastern boundary.

As per the upper floor dwellings located in the existing 2-storey accommodation block the additional two dwellings will each comprise a double-bed, ensuite, and desk. An open ground-level verandah will extend the full length of the western façade of these dwellings.

Both the roof and external walls of the proposed accommodation block will be clad in colorbond metal sheeting.

No additional onsite car parking has been proposed, however, lot 280 is capable of accommodating two additional onsite car bays (1 bay/dwelling unit) should Council require this.

Statutory Environment

- *Planning and Development (Local Planning Schemes) Regulations 2015* ('LPS Regs')
- *Shire of Dundas Local Planning Scheme No. 2* ('LPS 2')

The **LPS Regs** provide the procedures and processes for making and determining an application for development approval as well as the matters to be considered in determining whether to grant development approval.

LPS 2 regulates the use and development of land within the Dundas Shire district, principally through the application of zones and reserves; the assignment of special control areas; and the prescribing of development controls and standards by which land use and development is expected to comply with (unless otherwise varied by the decision-maker).

The subject land is zoned **Residential** under LPS 2, with a residential density coding of **R10**.

The proposed development is deemed classified as '**workforce accommodation**' under clause 38 of LPS 2 but is not a class of use listed in the Zoning Table (Table 1) of LPS 2. Therefore, it is deemed an '**unlisted use**'.

To this end (*cf* clause 18 (4) in LPS 2), Council can determine whether the proposed use/development is:

- (a) consistent with the objectives of the Residential zone and is therefore a use that may be permitted subject to conditions imposed by the local government; or
- (b) determine that the use may be consistent with the objectives of the Residential zone and give notice under clause 64 of the deemed provisions (in part 7, Schedule 2 of the PD Regs) before considering and determining an application for development approval for the use of the land; or
- (c) determine that the use is not consistent with the objectives of the Residential zone and is therefore not permitted in the zone.

The objectives of the **Residential** zone (reproduced from Table 2 – Zone Objectives in LPS 2) are as follows:

- (i) *To provide for a range of housing and a choice of residential densities to meet the needs of the Community;*
- (ii) *To facilitate and encourage high quality design, built form and streetscapes throughout residential areas; and*
- (iii) *To provide for a range of non-residential uses, which are compatible with and complementary to residential development.*

Having regard to objective (iii) above and anticipating that the proposed use/development is likely to be consistent with the objectives of the Residential zone, and being deemed a **complex application** (see cl.1, Schedule 2, *LPS Regs 2015*), the application was duly advertised pursuant to provision (b) above.

Public Advertising

The application was advertised in the following ways:

- A notice in the *Kalgoorlie Miner* newspaper;
- A notice on the Shire website; and
- Notification by letter to owners and occupiers of land within 200 metres of the subject site.

The application was advertised for a period of 28 days. At the end of the advertising period no submissions on the application had been received by the Shire.

Consultation

The application was referred to Main Roads WA, the Water Corporation, Horizon Power, and the Goldfields Esperance Development Commission (GEDC) for their consideration and comment.

Only Main Roads WA (MRWA) provided comment, advising **firstly**, that it had no objection to the proposal (which included vehicle access to the subject land being from Prinsep Street, which is under the care and control of MRWA), and **secondly**, pursuant to clause 67(s)(ii) in Schedule 2 of the *Planning and Development (Local Planning Scheme) Regulations 2015* and the WAPC's *Development Control Policy 5.1*, that all refuse generated from the use be collected either onsite or from the rear laneway (in other words no collection of refuse being allowed from the Prinsep Street verge).

MRWA also requested that should development approval be granted, the following advice notes be included with the approval;

- No earthworks are to encroach onto the Prinsep Street reserve unless approved by it;
- No stormwater drainage into the Prinsep Street reserve; and
- The landowner/applicant shall make good any damage to the existing verge vegetation within the road reserve (as a consequence of implementing the approval).

The Water Corporation did not respond, however, its previous comments in respect to the 7 dwelling unit development upon the lot remain relevant and valid, namely:

- Any water main extensions required for the proposed accommodation block are to be laid within existing road reserves; and
- Building approval for the proposed accommodation block is also required to be obtained from its Building Services section.

Policy Implications

The Shire has no local planning policies that apply to the proposed development.

Financial Implications

There are no specific financial implications for the Shire of Dundas relating to the proposal.

Strategic Implications

The proposed additional development will assist in achieving the Shire's **Goal 3 – Built Environment** of its *2022-32 Strategic Community Plan*, namely—

Planning and development of infrastructure supports liveable, sustainable and connected communities.

Comment

The addition of 2 further dwellings represents a relatively minor extension to an existing approved use/development, and is deemed unlikely to have any adverse impact upon the surrounding locality, especially in respect to the locality's amenity and the surrounding road network. Further, there is sufficient area within the lot to accommodate an appropriate sized onsite effluent disposal system to service the 9 dwellings.

However, in order to provide for a consistent and harmonised external appearance of the total completed development when viewed from Prinsep Street, it is recommended that the western façade treatment of the proposed accommodation block match or be similar to the façade treatment provided to the lower and upper floors of the existing accommodation block, namely the external wall being clad in matching or similar timber, and matching or similar feature screens being provided along the western and northern edge of the side verandah.

It is also recommended that two (2) additional onsite car bays ought to be provided as well (one bay/dwelling unit). There is sufficient space within the development's front set back area to accommodate these. Regardless of where the required car bays might be located, all car bays (both existing and proposed) are to be suitably landscaped to visually screen the car bays where they will be visible from Prinsep Street.

A landscaping plan was a condition of the previous development approval (DB05/2021) granted for this land. This plan has yet to be submitted. It is recommended that the same condition be imposed should approval of the development under consideration here be approved. The landscape plan should include landscaping the area extending between the proposed accommodation block and the driveway extending parallel and adjacent to it.

Determination Options

In determining the application Council has the option of:

- A. Approving the application for development approval with or without conditions; or
- B. Refusing to approve the application for development approval.

It is recommended that the application be approved.

Officer Recommendation

That Council:

1. Pursuant to clause 18(4)(a) of the *Shire of Dundas Local Planning Scheme (LPS) 2* determines that the proposed development comprising two (2) additional workforce accommodation dwellings upon lot 280 on DP 222910 (HN 128) Prinsep Street Norseman is **consistent with the objectives** of the **Residential zone** applying to the subject land and is therefore a use/development **that can be permitted** upon the subject site; and

2. Pursuant to clause 68 (2) in Schedule 2 of the *Planning and Development (Local Planning Schemes) Regulations 2015*, **APPROVE** development application DA 06/2022 to develop two (2) additional workforce accommodation dwellings and a screened enclosure for the storage of LPG gas cylinders and bins upon lot 280 on DP 222910 (HN 128) Prinsep Street Norseman, generally in accordance with the following plans/drawings:
- A. Andre Melville Building Design and Drafting Services Drawing No. 21-116-WD-1.03-1 – **Proposed Site Plan**;
 - B. Andre Melville Building Design and Drafting Services Drawing No. 21-116-WD-1.04-H – **Site Ground Floor Plan**; and
 - C. Andre Melville Building Design and Drafting Services Drawing No. 21-116-SK- 60-A – **Type ‘A’ Building Floor Plan and Artist Impression**, subject to it being modified as follows:
 - (a) The colorbond wall cladding denoted on the western façade of the proposed accommodation block (2 Bed Module) being replaced by **timber cladding** that matches or is similar to the timber cladding on the existing 2-storey accommodation block; and
 - (b) Feature screens matching or similar to the feature screens extending along the lower and upper floors of the existing 2-storey accommodation block being installed along the northern and western edges of the side verandah of the proposed accommodation block.

The required modified plan in (C) above is to be submitted to, and be endorsed by, the Chief Executive Officer of the Shire of Dundas prior to occupancy of the proposed accommodation block;

and subject to the following **conditions**:

- (i) Two (2) additional car bays, designed to the Chief Executive Officer of the Shire of Dundas, being installed and line-marked within the subject land prior to occupancy of the proposed accommodation block.

Where the additional car bays will be wholly or partially visible from Prinsep Street the bays are to be landscaped to the satisfaction of the Chief Executive Officer of the Shire of Dundas prior to occupancy of the proposed accommodation block;

- (ii) The proposed accommodation block being connected to an onsite stormwater disposal system, designed and installed to the specifications of the Chief Executive Officer of the Shire of Dundas, prior to occupancy of the approved accommodation block;
- (iii) The proposed accommodation block being connected to an onsite effluent disposal system in accordance with *Australian/New Zealand Standard 1547 Onsite Domestic Wastewater Management* and the specifications of the Chief Executive Officer of the Shire of Dundas, prior to occupancy of the approved accommodation block;
- (iv) The enclosure at the rear of the approved laundry proposed for the storage of LPG cylinders and refuse bins/receptacles being installed to the specifications of the Chief Executive Officer of the Shire of Dundas, prior to occupancy of the proposed accommodation block.

Collection of refuse from the refuse bins/receptacles is to occur only within lot 280 or from the adjoining rear laneway;

- (v) Submission of a landscaping plan to the specifications of the Chief Executive Officer of the Shire of Dundas, prior to the issue of building permit for the proposed accommodation block. The landscaping plan is to be fully implemented prior to occupancy of the proposed accommodation block;

Advice Notes

1. If the approved development has not been fully developed within 2 years from the approval date, the approval will expire and be of no further effect.

The approval may be extended beyond the approval expiry period where a request has been received and approved by the Shire of Dundas within 3 months of the approval expiry date;

2. The Shire's consulting Environmental Health Officer is to be consulted for details for compliance with condition numbers (iii) and (iv);
3. Any water main extensions required for the proposed accommodation block are to be laid within existing road reserves;
4. In addition to the requirement for obtaining building approval from the Shire for the proposed accommodation block, building approval is also required to be obtained from the Building Services section of the Water Corporation;
5. Main Roads Western Australia (MRWA) advises that:
- (i) No earthworks are to encroach onto the Prinsep Street reserve, unless approved by it;
 - (ii) No stormwater drainage is to be discharged onto the Prinsep Street reserve;
 - (iii) The landowner/applicant shall make good any damage to the existing verge vegetation within the Prinsep Street reserve as a consequence of construction work associated with the development of the proposed accommodation block; and
 - (iv) The applicant is required to submit an Application to Undertake Works Within the Road Reserve to MRWA, and receive approval prior to undertaking any works within the Prinsep Street reserve.

Moved: Cr. Patupis

Seconded: Cr. Hogan

Amendment to the Recommendation

That the wording of item (i) in the recommendation be changed from:

- (i) *Two (2) additional car bays, designed to the Chief Executive Officer of the Shire of Dundas, being installed and line-marked within the subject land prior to occupancy of the proposed accommodation block.*

to:

- (i) Two (2) additional car bays, designed to the approved standards of the Shire of Dundas, being installed and line-marked within the subject land prior to occupancy of the proposed accommodation block.

Amendment: Cr. Bonza

Seconded: Cr. Hogan

Resolution

That Council:

1. Pursuant to clause 18(4)(a) of the *Shire of Dundas Local Planning Scheme (LPS) 2* determines that the proposed development comprising two (2) additional workforce accommodation dwellings upon lot 280 on DP 222910 (HN 128) Prinsep Street Norseman is **consistent with the objectives** of the **Residential zone** applying to the subject land and is therefore a use/development **that can be permitted** upon the subject site; and
2. Pursuant to clause 68 (2) in Schedule 2 of the *Planning and Development (Local Planning Schemes) Regulations 2015*, **APPROVE** development application DA 06/2022 to develop two (2) additional workforce accommodation dwellings and a screened enclosure for the storage of LPG gas cylinders and bins upon lot 280 on DP 222910 (HN 128) Prinsep Street Norseman, generally in accordance with the following plans/drawings:
 - A. Andre Melville Building Design and Drafting Services Drawing No. 21-116-WD-1.03-1 – **Proposed Site Plan**;
 - B. Andre Melville Building Design and Drafting Services Drawing No. 21-116-WD-1.04-H – **Site Ground Floor Plan**; and
 - C. Andre Melville Building Design and Drafting Services Drawing No. 21-116-SK- 60-A – **Type ‘A’ Building Floor Plan and Artist Impression**, subject to it being modified as follows:
 - (a) The colorbond wall cladding denoted on the western façade of the proposed accommodation block (2 Bed Module) being replaced by **timber cladding** that matches or is similar to the timber cladding on the existing 2-storey accommodation block; and
 - (b) Feature screens matching or similar to the feature screens extending along the lower and upper floors of the existing 2-storey accommodation block being installed along the northern and western edges of the side verandah of the proposed accommodation block.

The required modified plan in (C) above is to be submitted to, and be endorsed by, the Chief Executive Officer of the Shire of Dundas prior to occupancy of the proposed accommodation block;

and subject to the following **conditions**:

- (i) Two (2) additional car bays, designed to the approved standards of the Shire of Dundas, being installed and line-marked within the subject land prior to occupancy of the proposed accommodation block.

Where the additional car bays will be wholly or partially visible from Prinsep Street the bays are to be landscaped to the satisfaction of the Chief Executive Officer of the Shire of Dundas prior to occupancy of the proposed accommodation block;

- (ii) The proposed accommodation block being connected to an onsite stormwater disposal system, designed and installed to the specifications of the Chief Executive Officer of the Shire of Dundas, prior to occupancy of the approved accommodation block;
- (iii) The proposed accommodation block being connected to an onsite effluent disposal system in accordance with *Australian/New Zealand Standard 1547 Onsite Domestic Wastewater Management* and the specifications of the Chief Executive Officer of the Shire of Dundas, prior to occupancy of the approved accommodation block;
- (iv) The enclosure at the rear of the approved laundry proposed for the storage of LPG cylinders and refuse bins/receptacles being installed to the specifications of the Chief Executive Officer of the Shire of Dundas, prior to occupancy of the proposed accommodation block.

Collection of refuse from the refuse bins/receptacles is to occur only within lot 280 or from the adjoining rear laneway;

- (v) Submission of a landscaping plan to the specifications of the Chief Executive Officer of the Shire of Dundas, prior to the issue of building permit for the proposed accommodation block. The landscaping plan is to be fully implemented prior to occupancy of the proposed accommodation block;

Advice Notes

1. If the approved development has not been fully developed within 2 years from the approval date, the approval will expire and be of no further effect.

The approval may be extended beyond the approval expiry period where a request has been received and approved by the Shire of Dundas within 3 months of the approval expiry date;
2. The Shire's consulting Environmental Health Officer is to be consulted for details for compliance with condition numbers (iii) and (iv);
3. Any water main extensions required for the proposed accommodation block are to be laid within existing road reserves;
4. In addition to the requirement for obtaining building approval from the Shire for the proposed accommodation block, building approval is also required to be obtained from the Building Services section of the Water Corporation;
5. Main Roads Western Australia (MRWA) advises that:
 - (i) No earthworks are to encroach onto the Prinsep Street reserve, unless approved by it;
 - (ii) No stormwater drainage is to be discharged onto the Prinsep Street reserve;
 - (iii) The landowner/applicant shall make good any damage to the existing verge vegetation within the Prinsep Street reserve as a consequence of

- construction work associated with the development of the proposed accommodation block; and
- (iv) The applicant is required to submit an Application to Undertake Works Within the Road Reserve to MRWA, and receive approval prior to undertaking any works within the Prinsep Street reserve.

Location / Address	Shire of Dundas
File Reference	CP.AC.1
Author	Manager of Corporate and Community Services Pania Turner
Date of Report	13 April 2023
Disclosure of Interest	Nil

Summary

For Council to review and endorse the Shire of Dundas Disability Access and Inclusion Plan.

Background

The Disability Services Act 1993 requires all local government authorities to have a Disability Access and Inclusion Plan (DAIP). These Plans ensure access and inclusion actions across a number of areas including services and events, buildings and facilities, information, quality of service, complaints, consultation processes and employment.

These plans are in place to benefit people with disability, the elderly, young parents and people from culturally and linguistically diverse backgrounds.

The Shire has a Community Consultation and Engagement policy which guides the way the Shire conducts consultation. This policy along with the requirements of the Disability Access and Inclusion Plan will guide the activities and process in which the community is consulted.

Statutory Environment

Local Government Act 1995
Disability Services Act 1993

Policy Implications

Community Consultation and Engagement Policy

Financial Implications

The Shire's annual Budget is presented to Council for approval, which includes direct and indirect expenditure for improving accessibility and inclusion across the Shire's services and facilities.

Strategic Implications

Community- Goal 1

A healthy, safe, resilient, and engaged Community. A place where people thrive. A Community where diversity is celebrated, a place of belonging. A place where economic growth and business opportunity is encouraged and supported.

1.2 A Community where diversity is celebrated, a place of belonging.

- 1.2.1 Provide and support activities and events that celebrate the culture of Aboriginal people.
- 1.2.2 Provide and support activities and events that celebrate cultural diversity.
- 1.2.3 Collaborate with Ngadju and Mirning to place dual naming across the Shire.
- 1.2.4 Strive for high goals and outcomes for people living with disability.

1.3 A place where people thrive.

- 1.3.5 Provide support and facilities to improve inclusion and accessibility, and to achieve excellent outcomes for people living with disability.

Built environment – Goal 3

Planning and development of infrastructure supports liveable, sustainable and connected communities.

3.2 Liveable, sustainable and connected communities.

- 3.2.3 Shire facilities and events are accessible, inclusive and well maintained for the use of all people.

Economic Development and Financial Sustainability – Goal 4

5.1 A trusted Local Government

5.1.7 A culture of continuous improvement will apply to all levels of customer service.

5.2 We are a strong advocate for our community.

5.2.1 The Shire develops partnerships with government and non-government organisations, and key stakeholders to achieve positive outcomes for the community.

5.2.2 The community is consulted and given opportunity to raise issues with elected members to allow Council to focus on priority areas for advocacy.

Consultation

Elected Members

Shire of Dundas CEO

Shire of Dundas Senior Officers

The Shire conducted community consultation September 2022- January 2023 via the Community Voice Survey with a printed copy distributed to all Shire of Dundas residents and rate payers. The survey was also available in the digital format on the Shire of Dundas website, social media post, and request for one-on-one feedback. 18 responses were received which assisted to inform the DAIP.

Additionally, Shire of Dundas Strategic Community Plan was in its final stages of development just prior to the review of the DAIP. The extensive feedback from the community workshops in Norseman and Eucla have also assisted in capturing the concerns and aspirations of the Dundas community.

Comment

The survey results and consultation conducted during 2022 show that the community expect the place in which they live, work and holiday have facilities and services that meet the needs of all people. The DAIP will guide Council's efforts to improve the liveability and outcomes for all people within the community.

Consultation

Yvette Grigg, District Emergency Management Advisor | Wheatbelt and Goldfields-Esperance Districts

Comment

S41(1) of the Emergency Management Act 2005 requires that the Local Emergency Management Arrangements be updated as required. In 2021 the LEMA was presented to the Shire of Dundas LEMC for a comprehensive review of the arrangements and a request for feedback.

Recent times have again shown the importance of preparedness before emergency. The LEMA assists the Shire to identify and allocate resources in a planned and reasonable manner.

The updated LEMA was endorsed by Council before being submitted to the State Emergency Management Committee. The LEMA met all the requirements however feedback from the District Emergency Management Advisor prompted the following updates:

- Revised format
- Update to exercises conducted.
- Additional information for Recovery

Author	Manager Corporate and Community Services
Date of Report	14 April 2023
Disclosure of Interest	Nil

Summary

For the Council of the Shire of Dundas to consider and approve the reviewed Recordkeeping Plan of the Shire of Dundas.

Background

Local Governments are required to develop and maintain a Recordkeeping Plan (RKP) which captures key information about the processes and systems used by the local government to manage records of information. These plans also set-out actions for the retention and eventual disposal or transfer to the State Archives.

The Recordkeeping Plan is a statutory requirement and has been developed using the recommended State Records template. Local Governments are required to review and report their RKP to the State Records Office every two years.

Statutory Environment

State Records Act 2000 S19

Policy Implications

A.5 Record Keeping and Management Policy

Financial Implications

Nil

Strategic Implications

Remaining compliant with section 19 of the State Records Act 2000.

Consultation

Summary

For the Council of the Shire of Dundas to consider and appoint Shire of Dundas delegates at National General Assembly of the Australian Local Government Association 13th June 2023.

Background

The 2023 Australian Local Government Association (ALGA) National General Assembly (NGA) will be held in Canberra from 13 to 16 June 2023. This important event provides opportunity for Local Government to engage directly with the Federal Government, to develop national policy, and to influence the future direction of our councils and our communities.

ALGA is national voice of local government representing Australian local governments at the national level. ALGA provides important advocacy across many areas critical to local government and communities including local roads and infrastructure resourcing, disaster mitigations funding, regional airports and airstrips, telecommunications, social disadvantage, climate change and more.

The theme for the 2023 General Assembly will be "Our Communities, Our Future" focusing on ideas for new federal programs and policies that would support councils to build stronger communities in the future.

On the Ordinary Council Meeting from the Shire of Dundas held on the 23rd March 2023 Councillors gave approval to the CEO to submit the following Motion to be take on the NGA: *That ALGA: Request Australia Local Government Association to work with Federal Minister Hon. Mark Butler MP and all regional and remote Councils to provide affective and affordable Medical Services.*

Strategic Implications

Representation at State and National platforms is essential for the Shire of Dundas to ensure that small local governments such as the Shire of Dundas are resourced and supported to achieve the strategic objectives of their community plans.

Governance and Leadership – Goal 5

We are a trusted Local Government; we are a strong advocate for our community; we are lead with respect and accountability.

5.1 A trusted Local Government

5.1.1 Accountable and informed decision-making by Council.

5.2 We are a strong advocate for our community.

5.2.1 The Shire develops partnerships with government and non-government organisations, and key stakeholders to achieve positive outcomes for the community.

Comment

The Attendance at Conferences and Events Policy has been reviewed to ensure that Shire of Dundas is represented at the appropriate international, national, and interstate conferences, study tours, seminars, conventions and events.

The appointment of Shire of Dundas Council delegates to attend the 2023 National General Assembly will also provide important opportunity for the Council to meet with Federal Ministers to discuss key areas of concern for the Shire of Dundas, including the impact of climate change and drought in the GVROC area as presented in the last AGM by our President Laurene Bonza. We also submitted an item to support 3D Concrete Printing of Houses.

The Shire of Dundas have submitted the following motion to be taken at the NGA 2023:

That ALGA: Request Australia Local Government Association to work with Federal Minister Hon. Mark Butler MP and all regional and remote Councils to provide affective and affordable Medical Services.

Voting Requirements

Simple Majority

Cr. Bonza noted correction in the item description that the NGA will be held from the 13th to the 16th June 2023.

Officer Recommendation

That the Shire of Dundas Council:

- 1. nominate the Shire President Cr. L Bonza and Cr. _____ as delegates to attend the 2023 Australian Local Government Association National General Assembly in Canberra.**
- 2. authorise the Chief Executive Officer, or appointed Senior Officer, to accompany the councillor delegates to provide executive support; and**
- 3. approve a budget of up to \$15,000 for attendance at the 2023 Australian Local Government Association National General Assembly.**

Moved: Cr. Wyatt
Seconded: Cr. Hogan

10.3.6 Termination of Agreement relating to the Provision of Medical Services	
Location / Address	Shire of Dundas
File Reference	PH.AG
Author	Peter Fitchat CEO
Date of Report	13 th April 2023
Disclosure of Interest	Nil

Summary

For the Council of the Shire of Dundas to consider the termination of the agreement between the Shire of Dundas and Dr Rowlands regarding the provision of medical services that was approved at the Ordinary Council Meeting on the 16th May 2017 and signed on the 5th September 2017.

Background

The Shire of Dundas formal agreement with Dr Rowlands regarding the provision of medical services to the Norseman Community does not meet the required standards through procurement legislation. Furthermore, the Shire's limited budget is unable to meet the request of a significant cash contribution submitted by Dr Graham Rowlands on the 19th May 2022.

The request for increase to Council's financial contribution triggered the requirement to formalise the engagement process as the proposed total package requires a formal Expression of Interest or Tender Process.

This process is also linked to Council capability to fund this service as this is a Federal Government responsibility to support services like medical practise in small regional and remote Councils throughout Australia.

Council has also approved the resolution below to seek assistance through the next Australian Local Government Association at their next AGM in Canberra at our last OCM on the 23rd March 2023.

Voting Requirements

Simple Majority

Officer Recommendation

Request Australia Local Government Association to work with Federal Minister Hon. The Expression of Interest was advertised in the West Australian Newspaper and the Kalgoorlie Miner on five occasions from 13 December 2022 to 28 January 2023. It was also published on Rural Health West's web site and the Shire's web site. The closing date was 11.59pm Sunday 5 February 2023.

[Public Notice - Expression of Interest \(EOI\) 01-2022: Provision of Medical Services » Shire of Dundas](#)

During the advertising period 11 requests for documentation were received however at the closing date, only one response was received. Feedback obtained from those who had requested documentation but failed to make a submission was generally that it was not their core business or that they only provided specialist or telehealth services.

Inflammatory and offensive posts and comments on local social media community groups regarding Elected Members and the CEO has caused some potential medical service providers to reconsider their willingness to submit as potential medical service providers.

Statutory Environment

1. Local Government Act 1995 - Home Page (legislation.wa.gov.au)
2. Local Government (Financial Management) Regulations 1996 - (legislation.wa.gov.au) Business Plan Requirements [s.3.59]
3. Local Government (Audit) Regulations 1996 - Home Page (legislation.wa.gov.au)
4. Planning and Development Act 2005 - Home Page (legislation.wa.gov.au)
5. Public Health Act 2016 - Home Page (legislation.wa.gov.au)
6. Work Health and Safety Act 2020 - Home Page (legislation.wa.gov.au)

Policy Implications

The majority of Shire Policies support or direct Council staff to operate within all the relevant requirements. Specific Policies directly related to this agenda items are:

- A.9 Internal Audit and Risk Management Policy
- A.14 Fraud, Corruption and Misconduct Policy
- F.3 Purchasing Policy
- F.4 Regional Price Preference Policy
- F.6 Tender Evaluation Process Policy
- F.9 Insurance
- F.10 Accounting

Financial Implications

The provision of medical services and associated impacts on the Shire's Long- Term Financial Plan and the additional costs are critical considerations. The requested increase in costs has the serious workforce impacts with the loss of at least three (3) full time Shire positions, future efforts on workforce planning and staff recruitment and retention, as well as Asset Management Requirements.

Strategic Implications

Our Community Strategic Plan objectives are as follows:

Built environment – Goal 3

Planning and development of infrastructure supports liveable, sustainable and connected communities.

3.1 Shire infrastructure and services meet the Community's needs.

- 3.1.3 Shire buildings and facilities are appropriately managed according to their need and use.
- 3.1.4 Revitalise the Norseman and Eucla Town Centres.

Economic Development and Financial Sustainability – Goal 4

A thriving local economy & economic base supports economic growth and business opportunity.

4.1 A financially responsible Local Government.

4.1.1 Financial accountability and informed decision-making by Council.

4.1.2 Compliance with the Local Government Act 1995 and all relevant legislation and regulations.

4.1.3 Continual improvement in financial planning and asset management.

4.1.4 Risk is managed through planning, internal and external reviews, and reporting to Council.

4.1.5 The community is engaged in planning for the future and other matters that affect them.

4.1.6 The Shire will regularly monitor communication channels to ensure community are informed on matters that affect them.

4.1.7 A culture of continuous improvement will apply to all levels of customer service.

4.2 Opportunity for Economic Diversification and Growth

4.2.1 A vibrant economy that supports opportunities for mining, industry, creative and cultural industries, tourism, shopping and business

4.2.2 Attracting new businesses, and supporting existing businesses, is to encourage through promotion of the area as an attractive and viable place to work and live.

4.2.3 Assist in the provision of infrastructure that encourages business development and opportunity.

4.3 A place where economic growth and business opportunity is encouraged and supported.

4.3.1 Support local business collaboration and capacity building.

4.3.2 Encourage *Buy Local*.

4.3.3 Council procurement policies and procedures support local purchasing where practical.

4.3.4 Support tourist development and promote the Shire of Dundas as a destination experience.

4.3.5 Develop Council led business initiatives through the Economic Development Working Group.

Governance and Leadership – Goal 5

We are a trusted Local Government; we are a strong advocate for our community; we are lead with respect and accountability.

5.1 A trusted Local Government

5.1.1 Accountable and informed decision-making by Council.

5.1.2 Compliance with the Local Government Act 1995 and all relevant legislation and regulations.

Consultation

Councillors, Senior Staff, Rural Health West, GFG Consulting.

Comment

This decision is not an easy one to make for Council especially after the long service provided by Dr Graham Rowlands.

Ultimately the reason for the termination is that the Shire cannot afford the request of between \$250,000.00 to \$300,000.00 plus all the other benefits like the free house, vehicle and fuel, and services to maintain these assets. This request will be in the region of 15% of our revenue and could affect up to 3 full time Shire positions which will further impact other critical services the Shire is providing to the Community. Consideration must be given to the whole Shire services and facilities. The Shire currently has \$1,137, 551.00 in outstanding rates placing an additional pressure on Council's budget.

Norseman Medical Practice is currently operating under the terms set out in the Memorandum of Agreement signed on 5 September 2017 (**Memorandum**). A copy of the Memorandum is **attached** in papers relating, this agreement does not meet Council or State Government imposed legislation for Local Government procurement.

Comment

The suite Norseman Heritage Trail Fun Run Events provides opportunity for Council to grow community and tourist awareness and visitation of the Shire's natural bushland and trail experiences. The event supports the community's strategic goals of participation, events, health and wellbeing, the natural environment and working with key community stakeholders to provide positive experiences. Additionally, the event has the potential to explore prospects for mountain biking and further development of the existing trails and walks within the Shire.

If successful the event may become a permanent fixture on the regional calendar, attracting visitors and athletes to the Shire.
