## 1 Declaration of Opening and Announcement of Visitors.

The Shire President welcomed all in attendance and declared the meeting open at 6:00pm.

This Ordinary Council Meeting was video recorded to assist in the preparation of the minutes of the meeting.

The Shire of Dundas recognises the Ngadju and Mirning People as First Nations People in the Shire of Dundas, acknowledging them as traditional custodians and pay our respects to their Elders, past, present and emerging.

### 1.1 Attendance at meeting by Councillor AR Patupis.

The Shire President has been advised that Cr Patupis will be in Esperance, Western Australia when the meeting is held and have requested attendance by way of instantaneous video connection with other Councillors present at the meeting in accordance with Administration Regulation 14A.

Cr Patupis will be at 58 Dempster Road, Esperance WA 6450.

The Council must approve of the place that Cr Patupis is located as a "suitable place" that must be in a town site or other residential area at least 150 kilometres from where the meeting is being held.

#### **Recommendation**

**That Cr Patupis be permitted to attend this meeting by way of instantaneous video connection from Esperance, Western Australia, on the basis that she is in a "suitable place" for the purpose of Administration Regulation 14A.**

Moved: Cr Hogan

Seconded: Cr Wyatt

#### **Resolution**

**That Cr Patupis be permitted to attend this meeting by way of instantaneous video connection from Esperance, Western Australia, on the basis that she is in a "suitable place" for the purpose of Administration Regulation 14A.**

Carried by: Absolute Majority

For: 5

Against: 0

*Connection with Cr Patupis was attempted but was unable to be established. Therefore, she did not attend the meeting.*

## 2 Declarations of Financial, Proximity, Impartiality Interests & Gifts Received.

### 4 Applications for Leave of Absence.

Nil

### 5 Response to Previous Public Questions Taken on Notice.

The CEO spoke through the Chair:

- Regarding block of land at 36 Brockman Street, has been cleared by Shire. Any further action on the property will form part a future proposal to Council.

### 6 Public Question Time.

In accordance with the Local Government Act 1995 and the Local Government (Administration) Regulations 1996, any person may during Public Question Time ask any question.

In accordance with Regulation 6 of the Local Government (Administration) Regulations 1996, the minimum time allowed for Public Question Time is 15 minutes.

A member of the public who raises a question during Question Time is to state his or her name and address.

*Michelle Hindmarsh, 35 Mildura Street:* Has received no formal written response to her request for a driveway to be built at the front of property. Requests the Shire reconsider the application.

*CEO, through the chair:* There was confusion with another similar request from a nearby property. Council will review, reconsider request and provide a response.

*Des Mcoll, 34 Brockman Street:* Thank you to Shire for the clean-up of 36 Brockman Street. Heard the President speak on the radio a couple of days ago about getting COVID testing in Norseman, other than the hospital. Has there been any further details regarding this?

*President:* At this stage, testing is still only available at the hospital, which is inconvenient for truck drivers. Testing at Eucla would be the ideal situation, but the issue is transport of samples to be tested because of the airstrip. Until State Government decide otherwise, unfortunately this will not change.

## **7 Suspension of Standing Orders.**

7.1 The CEO has identified clauses in the Shire of Dundas Standing Orders Local Law 2018 that cannot be complied with, or require modification, in order to conduct this meeting.

### **Recommendation**

**That Council suspend the operation of clause:**

- **11.2 - Members to occupy own seats.**

Moved Cr: Wyatt  
Seconded Cr: Hogan

### **Resolution**

**That Council suspend the operation of clause:**

- **11.2 - Members to occupy own seats.**

Carried by: Simple Majority For: 5 Against: 0

## **8 Confirmation of Minutes of Previous Meeting.**

8.1 Minutes of the Ordinary Meeting of Council held on 21st July 2020 be confirmed as a true and accurate record.

### **Recommendation**

**That the minutes of the Ordinary Council Meeting held on 21<sup>st</sup> July 2020 be confirmed as a true and accurate record.**

Moved Cr: Hogan  
Seconded Cr: Wyatt

### **Resolution**

**That the minutes of the Ordinary Council Meeting held on 21<sup>st</sup> July 2020 be confirmed as a true and accurate record.**

Carried by: Simple Majority

For: 5

Against: 0

## **9 Petitions, Deputations or Presentations.**

### **9.1 Reports of Committees**

#### **9.1.1 GVROC – Cr Bonza**

##### GVROC Meeting in Laverton 24<sup>th</sup> July

- Goldfields Records Storage Facility – CKB to provide update report at September meeting. List for sale on open market and accept a sale price of between \$475,000 & \$500,000 based on current market valuation.
- Discussion from Leonora in relation to Native Title Compensation payments from mining companies, which caused quite a bit of trouble in town that the cashless card had largely reduced. Discussions now being held with Mining companies in relation to a different method of handling the payments.
- DAMA – still awaiting final approval from the Minister as to whether Dundas and Esperance will be included in the DAMA going forward
- We are required to provide feedback on the Economic Policy paper as to other things to include or other key areas to target – discussion at next Council workshop
- Discussion around the Camel Industry Analysis report. We have provided feedback on the report which was pretty comprehensive. GVROC will explore the possibility of establishing a beneficial enterprise, as the parent entity, under the Federal Govt Regional Deal Programme.
- Drought Committee – has been overtaken by other issues. The problem still exists and we have had no success in getting any funding assistance for our Pastoralists or any in the Southern Rangelands. The Committee needs to be reconvened.
- Bush Fire Mitigation Strategy – Contract signed with DFES. Advertisement for the position has gone out. DFES is funding the position.
- Mining Tenements Rates Notices – WALGA conducting an ad campaign to advise ratepayers of the fact that although the Local Govt may have frozen the rates, they may still pay more because of the method used in rate setting which does not have LG input. It was suggested that the GVROC Chair consult with State Council, DMIRS and the CME to put out similar information in relation to mining tenements.
- State Infrastructure Strategy – discussion paper provided. CEO and President attended the Kalgoorlie workshop. The workshop talked about what everyone thinks is required but, at this stage did not want project ideas from each LG requiring funding, just a broad concept of what will be required.
- GVROC members authorised the Executive Officer to sign a letter in support of Shire of Coolgardie with their Waste to Energy Proposal. SoC proposes to expand the tip site to process solid waste, commercial and industrial waste, construction and demolition waste and a separate stream for recycling tyres, and plastics. They intend, among other things to produce biogas and diesel from recycled plastics and rubber to generate electricity.
- Cr Mickel moved a motion to extend GVROC thanks to Laverton and compliment them on the town improvements.

#### **9.1.2 WALGA – Cr Bonza**

- WALGA is reconvening the working group on ratios (LG financial ratios) mid-month – up to 5 reps from GVROC on the Committee
- Management team restructured from 6-4.
- Mark Coulton will host a webinar to cover drought funding
- Face to face training will be coming back soon

- CDS should be up and running in the next three months
- Cr Mickel from Esperance proposed an additional resolution for WALGA re: the OAG audit processes and costs. Tony Brown has met with the OAG

### 9.1.3 Regional Roads Group – Cr Bonza

No meeting but have received updates on new projects for 2020.

### 9.1.4 Roadwise – Cr Wyatt

- National Road Safety week 15<sup>th</sup> to 22<sup>nd</sup> November 2020.
- Annual Incentive from the Safer Australian Roads and Highways (Sarah Group), partnering with Road Safety Organisations and Government.
- Highlights the impact of road trauma and ways to reduce it.
- Every year, approximately 1,200 people are killed and another 44,000 are seriously injured on Australian Roads.
- Traffic injury is the biggest killer of children under 15 years and the second biggest killer of Australians aged between 15 and 24 years.
- These numbers grow every year but are preventable if we choose to drive so others survive.

## 10 Announcements by Presiding Member without Discussion.

### Community Wellbeing Plan Forum – 03/08/20

- The aim is to encompass alcohol and other drug (AOD) and suicide prevention in our community.
- We need to create long-term sustainable change that should be locally driven and supported externally
- A Norseman Community Perception Survey (drafted by the Mental health Commission), has been conducted
- Plan priorities – to increase collaboration & communication between services
- We need to scope the ‘real’ issues and not waste time on what we “think” are issues
- Focus groups to input information on priorities
- Check that the chosen priorities are part of the community focus
- Next meeting: 21<sup>st</sup> September

## 11 Reports of Officers.

Agenda Reference & Subject	
<b>11.1.1 – Industrial Land</b>	
Location / Address	Shire of Dundas

Author	Development Services Officer - Richard Brookes
Date of Report	7 <sup>th</sup> August 2020
Disclosure of Interest	Nil

### Summary

For the Council to consider the issue of available industrial land within the Shire.

### Background

The Shire has been requested by prospective developers on many occasions on the availability of industrial land within the Shire.

This issue dates back for many years and the Shire have been writing to the Department of Lands since 2004 requesting that additional land be made available. Applications and proposed subdivision plans have previously been submitted.

The Shire have previously been advised of a notification of intention to take (NOITT) land immediately to the south of the existing industrial area (south of Delamotte Drive).

An investigation and inspection were recently undertaken to determine the availability of industrial land within the Shire and the progress of applications.

Investigations revealed that the Department of Lands closed the file on the application for the land south of Delamotte without further reference to the Shire. (reasons not given)

There is no land in Eucla that is zoned for industrial purposes.

There is only one developed industrial area in Norseman and that is located to the south of the railway and bounded by the Coolgardie Esperance Hwy, Delamotte Way and the old Coach Road. It appears that all the lots are developed, and none are for up for sale.

### Statutory Environment

Planning and Development Act 2005  
Shire of Dundas Local Planning Scheme No 2

### Policy Implications

There are no Council policies that relate to this matter.

### Financial Implications

There are no direct financial implications for the Shire at present however the cost of the acquisition and development of industrial land will be considerable. The direct costs of purchasing the land from the State is currently unknown, however it is anticipated that, if the Shire is successful in being offered land by the State, then the actual costs will become more apparent.

Due to the apparent difficulty of acquiring land, it is unlikely that a private developer would be prepared to undertake the process.

### Strategic Implications

There are no specific themes in the Community Strategic Plan that relate to this matter however it is evident that the lack of industrial land is causing town planning issues and restricting growth within the Shire.

### Consultation

Executive Management Team.  
Department of Planning Lands and Heritage.

### Comment

The initial investigation concluded that there is insufficient appropriately zoned land that is available for immediate use and there were no current applications for land with the department.

A business case has been prepared to support an application to the Department of Lands for land to be made available for industrial purposes.

A number of applications to the Department of Lands have been prepared in June 2020 for additional land as follows:

- A parcel of VCL land (approximately 8ha in area) bounded by the Coolgardie - Esperance Hwy, Delamotte Drive and the Old Coach road. The land is located immediately to the south of the existing industrial area. A portion of the land is zoned industrial however the bulk is zoned rural.
- A parcel of VCL land (approximately 8ha in area) adjacent to the Coolgardie Esperance Hwy. The application is to acquire an existing lease that appears to have been surrendered. The land is located approximately 800m to the south of the existing industrial area. The land is zoned rural.
- A parcel of VCL land (approximately 3ha in area) on Denison Drive near Simon Street. The application was for the land to be acquired for a large parcel residential lot, however with rezoning could be considered for other purposes.
- A parcel of VCL land (approximately 2.9ha in area) bounded by the railway line, McGrath Street & adjacent Dundas Drive. The land is located immediately to the east of the railway line to the north of the Historical Museum. The land is zoned industrial.

Discussions have also been initiated with the Perth Mint in relation to a reserve (old state battery) adjacent Battery Road for a possible industrial site however it appears this land is in the process of being transferred to the Department of Mines, Industry Regulation and Safety.

The fact that there are a number of businesses currently operating from a residential address would indicate that there is indeed a lack of available industrial land in the Shire. A spreadsheet of businesses operating in Norseman and the current zoning is included in the papers relating for information.

#### Voting Requirements

Simple Majority

#### Officer Recommendation

**That the Council of the Shire of Dundas acknowledges that it needs to:**

- 1. assist in the provision of suitably zoned industrial land to:**
  - a) meet the demands and needs of the community,**
  - b) meet the requirements of mining and commercial interests; and**
  - c) be able to offer land to attract new business to the region.**
- 2. write to the State Government requesting that the government:**
  - a) recognise that there is a problem in Norseman with regard to the availability of suitably zoned industrial land;**
  - b) support the Shire of Dundas in facilitating the land acquisition process;**
  - c) assist the Shire of Dundas in negotiating a mutually suitable agreement (ILUA) with the Native Title claimants.**
- 3. continue to pursue opportunities to access land for industrial purposes.**

Moved Cr: Hogan  
Seconded Cr: Warner

**Resolution**

That the Council of the Shire of Dundas acknowledges that it needs to:

1. assist in the provision of suitably zoned industrial land to:
  - a) meet the demands and needs of the community,
  - b) meet the requirements of mining and commercial interests; and
  - c) be able to offer land to attract new business to the region.
  
2. write to the State Government requesting that the government:
  - a) recognise that there is a problem in Norseman with regard to the availability of suitably zoned industrial land;
  - b) support the Shire of Dundas in facilitating the land acquisition process;
  - c) assist the Shire of Dundas in negotiating a mutually suitable agreement (ILUA) with the Native Title claimants.
  
3. continue to pursue opportunities to access land for industrial purposes.

**Summary**

For Council to consider imposing Objections on Tiger Tasman Minerals PTY LTD Exploration Licence E63/2054 & E63/2055.

**Background**

In regard to the Application for Exploration Licence E63/2054 & E63/2055 by Tiger Tasman Minerals PTY LTD discussed at the Council Workshop Meeting on the 4<sup>th</sup> August 2020.

**Statutory Environment**

*Mining Act 1978*  
*Mining Regulations 1981*

**Policy Implications**

Council has no Policies in relation to this matter.

**Financial Implications**

None

### Strategic Implications

Strategic Community Plan 2012-22 Strategy Theme 2 (A Thriving Community Local Economy and Economic Base) items 2-2.1, 2.2, 2.3, 2.4 Theme 3 (Natural & Built Environment) items 3.1, 3.2, 3.3, 3.4, 3.5.

### Consultation

Councillors  
Senior Staff

### Comment

As discussed during the meeting and the concerns raised regarding this application that was submitted by Tiger Tasman Minerals PTY LTD Exploration Licence E63/2054 & E63/2055.

The objection to be considered in the meeting was in relation to the following matters concerning the application informing them that this is a tourist area and actively promoted by our Visitor Centre and that there is the first 3km of road that could be impacted and needs a road maintenance agreement before proceeding.

### Voting Requirements

Simple Majority

### Officer Recommendation

**That the Council of the Shire of Dundas delegate the CEO to Object to Tiger Tasman Minerals PTY LTD Exploration Licence E63/2054 & E63/2055.**

- 1. This is a tourist area actively visited by locals and travellers, so the objection to obtain an explanation on the potential impact on this area by their proposed drilling or exploration activities as it is not detailed in their application; and**
- 2. The first 3km of road can be impacted and the Shire of Dundas needs a road maintenance agreement to be in place before commencing with their Exploration Activities, as we have two other known users of this road.**

Moved Cr: Wyatt  
Seconded Cr: Hogan

Date of Report	31 <sup>st</sup> July 2020
Disclosure of Interest	Nil

Summary

For Council to consider receiving the Information Bulletin for the period ending 31<sup>st</sup> July 2020.

Background

The Councillors' Information Bulletin for the period ending 31<sup>st</sup> July 2020 was completed and circulated to Councillors.

Statutory Environment*Local Government Act 1995*

- Section 2.7(2) - Provides that Council is to oversee the allocation of local government finances and resources and to determine the local government policies.
- Section 3.1 – Provides that the general function of the local government is to provide for the good governance of persons in its district.

Policy Implications

Council has no policies in relation to this matter

Financial Implications

The recommendation of this report has no financial implications for Council.

Strategic Implications

Keeping Councillors informed in respect to matters impacting on their role as Councillor.

Consultation

Nil

Comment

The intent of the Councillors' Information Bulletin is to assist in providing Councillors with information relevant to their role as a Councillor.

Because of certain confidential elements in the contents of this document, it is not a public document, it is distributed to Councillors and senior staff only and is not for public release.

<b>Agenda Reference &amp; Subject</b>	
<b>11.3.2 – Shire of Dundas Organisational Structure 2020</b>	
Location / Address	Shire of Dundas
File Reference	PE.AR
Author	Chief Executive Officer - Peter Fitchat
Date of Report	11 <sup>th</sup> August 2020
Disclosure of Interest	Nil

### Summary

For Council to consider our Organisational Structure moving forward from 2020 and how this interact with our Budget for 2020/21 and designating the positions of senior employees in line with all our Policies guiding us through our Operational obligations.

### Background

Councils Policy Manual currently makes no provision for a Policy regarding the designated positions of senior employees. In accordance with Section 5.37(1) of the Local Government Act 1995, Council may designate employees or persons belonging to a class of employees to be senior employees.

### Statutory Environment

In accordance with Section 5.37(1) of the Local Government Act 1995, Council has designated that the following positions be recognised as senior employees of the Council:

### Policy Implications

Council has no Direct Policy in relation to this matter, but this does interact with the following Policies.

HR.5 Acting Chief Executive Officer/Acting in "Senior" Positions  
HR.10 Equal Opportunity and Diversity  
HR.14 Staff Recruitment and Selection  
HR.19 Senior Employees

Financial Implications

These positions cost associated will be provided for in the 202/21 Financial Year budget.

Strategic Implications

None

Consultation

Councillors, WALGA  
Senior Staff  
CEO

Comment

Council's Organisational Structure (which is attached in Papers Relating) has officers in positions of Senior Management.

The position description of the respective roles details the tasks that these officers are responsible for at senior management level as well as having other staff accountable to them on a daily basis.

Inarguably, the responsibilities of these management positions are quite substantial in the day to day operations of the Shire. These officers, under the guidance of the CEO and in accordance with Council's Policy Manual, are responsible for ensuring that their respective sections are progressive and productive in meeting the goals as set by Council.

It would be impracticable to expect the incumbents of these positions to operate with the degree of authority required without the recognition of the importance of their responsibilities.

Objectives

In accordance with the *Local Government Act 1995* that Council designate the positions of staff that they determine to be senior employees.

Chief Executive Officer  
Manager Finance & Administration  
Manager Works and Services  
Manager of Community Development

This is for Council notation that our Organisational Structure is in Papers Relating and that the Line Management through the Organisation is clear to work within the adopted budget for 2020/21 Financial Year to achieve Councils Strategic objectives.

Voting Requirements

Simple Majority

Officer Recommendation

<b>Agenda Reference &amp; Subject</b>	
<b>11.3.3 – Review of F.12 – Accounting Policy</b>	
Location / Address	Shire of Dundas
File Reference	CM.PO.1
Author	Manager Finance & Administration - Aruna Rodrigo
Date of Report	12 <sup>th</sup> August 2020
Disclosure of Interest	Nil

**Summary**

For the Council of the Shire of Dundas to undertake a review of F.12 – Accounting Policy.

**Background**

The purpose of this review is to bring the Shire's Accounting Policy, F.12, in line with Sec. 17A – Assets, Valuation of for financial reports etc. of Local Government (Financial Management) Regulations 1996.

Sec. 17A requires local government to revalue its assets in no more than 5 years from the date of the last revaluation unless the Local Government believes that the fair value of particular asset/s is materially different from their carrying values. If this is the case, a revaluation must immediately be undertaken on the asset/s affected.

The Shire's current accounting policy requires revaluations to be conducted at least every 3 years. The policy will be altered to require revaluations to be conducted at least every five years in adherence with sec. 17A.

This will save compliance costs for the Shire. However, the management continue to perform reasonable and prudent tests to ascertain if a revaluation needs to be undertaken on asset/s due to significant variation in their fair values.

**Statutory Environment**

Sec. 17A – Assets, Valuation of for financial reports etc. of Local Government (Financial Management) Regulations 1996.

AASB 116 – Property, Plant & Equipment    AASB 13 – Fair Value Measurement  
AASB 136 – Impairment of Assets

**Policy Implications**

Changes to F.12 – Accounting Policy.

**Financial Implications**

Savings in revaluation costs.

Strategic Implications

The policy has been assessed in relation to their implications to the Strategic Community Plan, and there does not appear to be any inconsistencies or conflicts.

Consultation

CEO  
Butler Settineri

Comment

The revised Accounting policy – F.12 is presented to the Council in the Papers Relating. All additions have been marked in yellow and proposed deletions crossed out.

Voting Requirements

<b>11.3.4 – Goldfields Esperance GVROC Region MOU</b>	
Location / Address	Shire of Dundas
File Reference	MOU
Author	Chief Executive Officer – Peter Fitchat
Date of Report	12 <sup>th</sup> August 2020
Disclosure of Interest	Nil

Summary

The purpose for which GVROC is established is to enhance service delivery and infrastructure for our collective and individual communities and to achieve this in a sustainable, cost effective model for sharing of resources.

Background

To form a strategic alliance for the retention of infrastructure and community services, acquiring funding from government grants, economic development initiatives and private sector funding.

To establish and maintain effective communication and consultative mechanisms between the participating local governments on policy and processes using a management strategy.

Statutory Environment

N/A

Policy Implications

A.7 Common Seal

EM.1 Conferences – Elected Members Attendance and Representation

Financial Implications

GVROC Membership and associated cost are included in the adopted budget for 20/21 Financial year.

Strategic Implications

Strategic Community Plan 2012-22 Strategy Theme 2 (A Thriving Community Local Economy and Economic Base) items 2-2.1, 2.2, 2.3, 2.4 Theme 3 (Natural & Built Environment) items 3.1, 3.2, 3.3, 3.4, 3.5.

Consultation

GVROC Members, Councillors, Senior Staff, CEO

Comment

That all participating Shires recognise that partnerships between the Local Governments in the MOU are essential to achieve sustainable social, environmental and economic development of the region. That we as the GVROC are flexible and open to new approaches to service delivery and funding. That we recognise and acknowledge the needs and constraints of all spheres of government, community and stakeholders, and that these ongoing partnership agreements may be considered if initiated by either Local, State and Federal Government and or Private Industry.

Roles and Responsibilities as a combined Group known as GVROC Identify, understand and respect the roles and responsibilities of all parties and be open and transparent in all dealings.

That we have a continual improvement practice in the efficiency, effectiveness, timeliness, and appropriateness of local government service delivery. With combined well defined and agreed outcomes and performance measures for all projects and activities, and accept all accountability in a transparent approach to all dealings within the organisation, and have clearly defined reporting process with a robust dispute resolution and review mechanisms in place to protect and enhance all the participating Shires.

Voting Requirements

<b>11.4.5 – Outstanding Rates – Disposal of Properties</b>	
Location / Address	Shire of Dundas
File Reference	RV.OR.1 & PE.ME.2
Author	Development Services Officer - Richard Brookes
Date of Report	10 <sup>th</sup> August 2020
Disclosure of Interest	Nil

### Summary

For the Council to give consideration to the disposal of properties in the Shire of Dundas that have outstanding rates for 3 or more years.

### Background

The number of outstanding rates has become a significant financial issue for the Shire and officers have been undertaking a review of its rate base and have identified 70 properties that have outstanding rates for more than 3 years.

Letters have been sent to all landowners who have outstanding rates and in particular those properties where rates have been outstanding for a significant amount of time. (3+years)

The Shire has been in contact with CS Legal to undertake the appropriate process of debt collection and disposal

### Statutory Environment

Local Government Act 1995 Part 6, Division 6

Local Government (Financial Management) Regulations 1996

Rates and Charges (Rebates and Deferments) Act 1992.

Rates and Charges (Rebates and Deferments) Regulations 1992

There are provisions in the acts and regulations on the processes for the collection of outstanding rates and charges, including the sale of land.

### Policy Implications

COVID-19 Financial Hardship Policy

### Financial Implications

The outstanding rates have been categorised as follows:

<b>No</b>	<b>Category</b>	<b>Number</b>	<b>Outstanding</b>
1	Occupied dwellings	3	\$28,591
2	Occupied dwellings (deferred rates)	6	\$43,262
3	Unoccupied dwellings	19	\$162,168
4	Unoccupied dwellings (deferred rates)	3	\$17,042
5	Unoccupied sheds & shops	5	\$41,647

6	Vacant Land	25	\$165,163
7	Crown Land & Crown Lease (vacant land, leases & dwellings)	9	\$73,080
	Total	70	\$530,080

Following up ownership of lots can be time consuming and may involve costs ie requests for copies of certificates of titles, debt collection services, legal advice etc. These costs should in the most be offset by the collection of outstanding rates.

### Strategic Implications

There are no themes in the Community Strategic Plan that relate to this issue, however the financial implication of the outstanding rates has a significant impact on the Shires ability to undertake its strategic and financial planning.

### Consultation

Executive Management Team  
 Department of Land Administration, Landgate.  
 CS Legal – Solicitors  
 Debt collection Services

### Comment

The above table highlights a number of areas that the Council needs to consider in addressing the issue of outstanding rates.

1. In relation to the 3 occupied premises, the Shire can begin the process of collecting the outstanding rates by undertaking the debt collection process with the eventual possibility of having the properties sold, however this would leave the occupants without accommodation. Offers of an alternative payment arrangement have been made however in general have not been taken up.
2. The 6 occupied properties that have a rate deferral have a legitimate reason not to pay current & outstanding rates. The rates can be collected when the property becomes vacated or sold.
3. The 19 unoccupied dwellings can be disposed of following the debt collection processes in accordance with the provisions of the relevant legislation.
4. The 3 unoccupied dwellings with a deferred rate can be disposed of following the debt collection processes after confirmation that the criteria for deferral no longer exists. Disposal will need to be undertaken in accordance with the provisions of the relevant legislation.
5. The 5 unoccupied sheds and shop can be disposed of following the debt collection processes in accordance with the provisions of the relevant legislation.
6. The 25 lots of vacant land can be disposed of following the debt collection processes in accordance with the provisions of the relevant legislation.
7. The crown lots with outstanding rates from crown leases cannot be sold as they belong to the State of Western Australia. The Shire will endeavour to negotiate with the State to recover outstanding monies however experience from the past would indicate that these rates may need to be written off.

A preliminary inspection of the unoccupied dwellings indicate that some will need to be demolished as their maintenance / upgrade costs would probably exceed their resale value. It is anticipated that a thorough inspection report of each property will be undertaken prior to any debt collection or sale process.

The Council would need to set realistic reserves to recoup costs and outstanding rates however in some cases this may exceed the likely sale prices for the properties.

“Flooding” of the market at auction with all the properties may not be appropriate, however seeking advice from a real estate agent in this regard is anticipated.

The best scenario for the Shire is to have all the rateable properties owned by ratepayers, and in this regard the Council needs to encourage existing landowners to pay upfront or enter into a reasonable and consistent repayment plan that clears the debt.

During the investigations of properties and outstanding rates it was noted that the Crown (State of Western Australia) has approximately 350 properties within the Shire. A vast majority of these properties are unallocated and unoccupied crown lots. These properties are exempt under the Act and do not attract any rate income.

The investigation also revealed that there are lots that are not included on the Shire of Dundas rates system. These lots are located around Norseman and within the old Dundas and old Eucla townsites.

Note the following table:

Location	Crown land & reserves	Freehold land
Norseman Townsite	8 lots	Nil
Old Dundas Townsite	75 lots	38 lots
Old Eucla Townsite	170 lots	25 lots
Total	253 lots	63 lots

There is a total of 253 crown lots and another 63 freehold lots identified with records that date back to 1896. Further investigation of these freehold lots and titles will need to be undertaken to identify current ownership. Some of the lots may be deceased estates as a number are held with the Western Australian Trustee Executor and Agency Co Ltd. Shire Officers will continue to investigate any anomalies that are detected to ensure that the maximum rate revenue is attained

Of the properties identified with outstanding rates, it is recommended that the Shire in the first instance deal with the 25 privately owned freehold vacant lots as follows:

1	133	ANGOVE	ST	Freehold	<b>Vacant Land</b>	10,966.25
2	135	ANGOVE	ST	Freehold	<b>Vacant Land</b>	12,294.03

<b>11.4.6 – Re-investment of a Term Deposit of Cash Backed Reserves</b>	
Location / Address	Shire of Dundas
File Reference	FM.IN
Author	Manager Finance & Administration - Aruna Rodrigo
Date of Report	10 <sup>th</sup> August 2020
Disclosure of Interest	Nil

### Summary

For the Council to notice re-investment of the term deposit that matured on 18.07.2020 in the cash backed reserve.

### Background

One of the term deposits out of cash backed reserve was due to mature on 18.07.2020. The principal amount is \$ 3,672,711.83 and the deposit was with Goldfields Money.

Quotes for Term deposit interest rates were checked with various banks and have found out that Goldfield Money offers the best rate at 1.15% for 12 months. NAB offers the second highest interest rate at 1.05% and ANZ at 0.85% for the similar term.

Given the current economic conditions, it's preferable to invest with a reputed bank.

However, by the time the deposit matured, NAB rate has fallen to 0.95 % and ANZ, following negotiation, offered 0.91% for 11 months. Due to practical difficulties involved in switching funds from ANZ to NAB, the rate offered by ANZ, the Shire's current banker, seemed to be much preferable as the rates difference between two banks does not provide a material benefit.

Finally, ANZ offer was accepted and funds deposited in a term deposit with ANZ at 0.91 % p.a. for 11 months.

The amount deposited is \$ 3,707,507 that includes interest earned of \$ \$34,795.17 on the previous deposit with Goldfields Money.

### Statutory Environment

Sec. 6.14 of div. 4, part 6 of the Local Government Act 1995 and Se. 19 of Local Government (Financial Management) Regulations 1996 empowers Local government to invest funds surplus to the current requirements for an appropriate period in secure instruments.

### Policy Implications

F 1 - Investments

Financial Implications

In compliance with Local Government Act, regulations and policies, the Shire is able to maximise its revenue from investments in a risk averse manner.

Strategic Implications

Increased revenue promotes long-term financial sustainability of the Shire.

<b>Agenda Reference &amp; Subject</b>	
<b>13.1 Late Item - IGO Donation Agreement 2020</b>	
Location / Address	Norseman
File Reference	GS.PR.20
Author	CEO Peter Fitchat
Date of Report	18 <sup>th</sup> April 2020
Disclosure of Interest	Nil

**Summary**

For Council to accept the IGO Donation Agreement pledge of \$100,000 and consider the distribution of the funds for the Norseman area and in the Shire Dundas.

**Background**

The Shire of Dundas has been impacted significantly by extended drought and bush fires, natural disasters which are beyond the Shire's control. A declining population has also affected the local economy and capacity for community groups to drive and sustain social activities.

IGO has been active in seeking areas where it can support the Shire of Dundas, recognising the importance of locally driven initiatives and the positive role they play in communities.

Local Government Act 1995

Local Government (Financial Management) Regulations 1996

**Policy Implications**

Policy F.10 Accounting

Policy C.5 Community Grants

A.7 Common Seal

**Financial Implications**

The \$100,000 also has the ability to assist Council to support community projects, considering the current situation of over \$500,000.00 in Rates arrears; additionally, Council will need to consider the possibility of a 0% Rates increase in the 2020-21 financial year due to COVID-19 impacts.

**Statutory Environment**

Accepting the Agreement will be assisting the Council to deliver Projects and relieving Financial Burden to get outstanding issues addressed where we could not fund these, Council may wish to consider additional funds in support of projects as they are presented to Council.

**Strategic Implications**

Theme 1 A vibrant, active and socially connected Community.

A strong, healthy, educated and connected Community that is actively engaged and involved.

Theme 3 – Natural & Built Environment			
A protected and enhanced environment that is aesthetically pleasing and provides benefits for the Community for generations to come.			
Strategy 3	Goal	Measure	Priority
<b>3.1 Management of environmental impact.</b>	To minimise the impact of Shire activities on the environment.	That any activities undertaken by the Shire have a demonstrable minimal impact on the environment and set a benchmark for the region.	Medium
<b>3.3 Enhanced transport access and infrastructure</b>	Improved infrastructure within the Shire and good transport access to and around Norseman.	Existing infrastructure that meets Community expectations and requirements. A measurable improvement in levels of infrastructure.	High
<b>3.4 Enhancement of natural tourist destinations.</b>	Development of the Great Western Woodlands that maintains the overall natural beauty of the area however still provides opportunities for tourism and other uses.	That the GWW is generally preserved and any development undertaken still allows residents and tourists to enjoy its natural beauty  An increased level of tourism numbers visiting the GWW.	Medium/High

### Comment

#### *THE AGREED PURPOSES:*

The Donatee shall use the Donation exclusively for the following purposes:

1. \$30,000 (30%) to the Helping Hands Project – to assist vulnerable residents in Norseman, such as seniors and people living with disability with the maintenance and upkeep of their properties. The Dundas Shire will investigate opportunity for local employment and local contractors to do the work
2. \$30,000 (30%) for the Norseman Town Hall Upgrade. Due to the age of the building and the heavy use of facilities, Council has approved \$30,000 (30% of the funding) towards the Town Hall upgrades. The upgrades will require additional contribution from the Shire. Priority areas are toilet and bathroom upgrades and technology installation. Both area upgrades are vital in the facility is going to continue as an important Community hub
3. \$20,000 (20%) for community events still to be identified. These future events will recognise IGO as a major sponsor
4. \$10,000 (10%) for local business development. The program will assist residents to market their locally produced product; and
5. \$10,000 (10%) to Educational Scholarships. A program dedicated to supporting local young people aged 12-25 years for up to \$1,000 scholarship with a focus on education, training and skills development.

**SCHEDULE OF DONATIONS:**

The Company shall donate to the Donee a total sum of \$100,000 as a single payment on receipt of an invoice after the Commencement date.

**COMMENCEMENT DATE:**

The Commencement date for this Contract is 1 July 2020.

**COMPLETION DATE:**

Unless terminated prior, this Contract shall be the sooner of either:

1. the completion of the Agreed Purposes, or
2. a date no later than 31 December 2021.

In April Council adopted the following resolution:

**Resolution**

***That Council notes this report and delegate authority to the CEO to negotiate these outcomes with IGO and all identified stakeholders with regular updates to Council for final approval.***
