The Shire President welcomed all in attendance and declared the meeting open at 6:00pm.

This Ordinary Council Meeting was video recorded to assist in the preparation of the minutes of the meeting.

The Shire of Dundas recognises the Ngadju and Mirning People as First Nations People in the Shire of Dundas, acknowledging them as traditional custodians and pay our respects to their Elders, past, present and emerging.

2. Declarations of Financial, Proximity, Impartiality Interests & Gifts Received.

Financial Interests:

Cr. Laurene Bonza: Item 10.4.5 - Extension of Contracts RFT 03-18 and RFT 01-18 as her husband is the principal and owner of Bonza Constructions Pty Ltd.

Indirect - CEO Peter Fitchat: Item 10.4.1 – Accounts Paid 1/02/2021 to 28/02/2021 as his partner is the owner of the Stitch and Gift shop.

Proximity Interests:

Nil

Impartiality Interests:

Cr Laurene Bonza: Item 10.4.6 – Budget Amendment from “Norseman Races” to “Woodlands Cultural and Visitor Centre” and Emergency Purchase of a Roof Walkway at the Woodlands Cultural and Visitor Centre, as she is a committee member of the Norseman Visitor’s Centre.

Cr. Patrick Hogan: Item 10.4.6 – Budget Amendment from “Norseman Races” to “Woodlands Cultural and Visitor Centre” and Emergency Purchase of a Roof Walkway at the Woodlands Cultural and Visitor Centre, as he is the Secretary of the Norseman Turf Club Inc.

5. Response to Previous Public Questions Taken on Notice.

Nil

The CEO through the Chair, provided an update on mosquito management:

- Working towards a plan, a team meeting was held to discuss.
- Chemicals further investigated — effects to wildlife and vulnerable people means this method is not able to be used, as none have been certified as 100% environmentally friendly.
- At present, the only viable option is to continue to empty water containers and keep yards tidy.
- Without major consultation and a budget item to do things like move vulnerable people out of town and protect bees, fish etc during spraying it is too difficult.

On behalf of the Turf Club, Pat Hogan thanked everyone that participated in getting the Norseman Cup day together, particularly the Shire of Dundas, without whom, the day would not have happened and it is greatly appreciated.

In accordance with Regulation 6 of the Local Government (Administration) Regulations 1996, the minimum time allowed for Public Question Time is 15 minutes.

A member of the public who raises a question during Question Time is to state his or her name and address.

7. Confirmation of Minutes of Previous Meeting.

Minutes of the Ordinary Meeting of Council held on 23rd February 2021 be confirmed as a true and accurate record.
Recommendation

That the minutes of the Ordinary Council Meeting held on 23rd February 2021 be confirmed as a true and accurate record.

Moved: Cr. Hogan
Seconded: Cr. Wyatt

Resolution

That the minutes of the Ordinary Council Meeting held on 23rd February 2021 be confirmed as a true and accurate record.

The President noted that a correction to a typographical error in the unconfirmed Minutes was required. Regarding Item 10.3.3 - Ordinary Council Meetings – March and April 2021 - the time recorded for the April 2021 meeting should read 9:00am ACWST not 9:00am WST.

Carried by: Simple Majority For: 5 Against: 0

8. Petitions, Deputations or Presentations.

8.1 Reports of Committees

8.1.1. GVROC - Cr Bonza/Cr Warner

GVROC meeting 26/03/21 hosted by the Shire of Dundas.

Presentations:

- **NBN** – have a new Regional Development & Engagement unit
  - Have initiated project STAND (Strengthening Telecommunications Against Natural Disasters) with $8.7 million grant funding from Federal Govt.
  - WA has been allocated 370 sites for fixed satellite services to be installed at evacuation centres. The Shire has made a submission to DFES to be one of those sites.

- **Business Foundations** – held a workshop in Norseman on Thursday 25th. I believe there were 9 participants and the report from Phil Kemp and Susan O’Byrne who ran the session was very positive, with a number of good ideas coming out of it.

- **WA Country Health Service** – An update about the Covid 19 pandemic and how WACHS Goldfields is dealing with issues. A Covid vaccination clinic was held for eligible people on Friday 26th at the hospital.

- **Shire of Dundas** – we also gave a presentation on what’s happening in our Shire.

- **Royal Commission into Child Sexual Abuse** - Local Government Child Safety Officers: As previously reported, Recommendation 6.12 of the Royal Commission was that, with support from Commonwealth and State Governments, Local Governments should designate child safety officers from existing staff profiles to develop child safe messages in Local Government facilities, assist local institutions to access online child safe resources, provide child safe information and support to local institutions as needed, and to support local institutions to work collaboratively with key services to ensure child safe approaches are culturally safe, disability aware and appropriate for children from diverse backgrounds.

  Action: GVROC has provided a combined regional response in relation to this recommendation and this response was endorsed by member Councils at the GVROC meeting on Friday.
• Proposed review of the Road Asset Preservation Model – Options Paper - Again, as previously reported.
  Action: GVROC has compiled a combined regional response as to the preferred option. Note that changing from accepted formulas may disadvantage smaller LGs. GVROC has provided in principle support for the response, as a whole.

• GVROC – Law & Order – a delegation has been nominated to discuss and provide some ideas for solutions around issues of anti-social behaviour and law and order in the Goldfields. The delegation is tasked with reporting back on progress and organising a visit to State Parliament to meet with key Ministers/staff to lobby for assistance.

• District Emergency Management Committee (DEMC) – New delegates appointed from the GVROC – Cr Tracey Rathbone, Shire of Coolgardie is the delegate and Cr Bonza, Shire of Dundas, the proxy.

• Guest Speakers
  Ali Kent, Member (elect) for Kalgoorlie - would like a prioritised list from LGs on issues she can assist with.
  Hon Kyle McGinn, member for Mining & Pastoral – spoke about progress to date on the establishment of a Banned Drinkers Register
  Rick Wilson, Federal Member for O’Connor – the O’Connor electorate has been expanded. Mr Wilson would like to get a letter of support from GVROC to have Wiluna included in the O’Connor electorate to align with Wiluna’s recent move from the Mid-West to our RDA and GEDC regions.

• A motion was raised and carried, for the GVROC to write to the Federal Minister for Local Govt to continue infrastructure funding past the initial Covid response.

8.1.2. WALGA – Cr Bonza/Cr Patupis

President has been in contact with the WALGA President, Mayor Tracey Roberts, to get some support for lobbying the State Govt to reinstate our Magistrates Court services and our Mines Dept. A letter is currently being drafted to the Attorney General in the first instance and will be followed with correspondence to the Mines Minister. A face to face visit will be arranged as soon as practicable.

8.1.3. Regional Roads Group – Cr Bonza/Cr Wyatt

Main Roads are holding a Black Spot Presentation and reviewing the new Crash Map via a Skype meeting on Tuesday 27th April, which we have registered for.

8.1.4. Roadwise – Cr Wyatt/Cr Warner

No recent meeting.
Normally, at this time of the year is the Blessing of the Roads, however being busy with things like the Woodlands Centre official opening, it will not be happening this year.

9. Announcements by Presiding Member without Discussion.

Thanked staff for Friday’s successful official opening of the Woodlands Cultural Community and Visitor’s Centre.
10. Reports of Officers.

Summary

For the Council to respond to an application to convert an existing leasehold to freehold land.

Background

The Shire has received advice from the Department of Lands that the lessor of Lease N105471 over Lot 963 on Deposited Plan 205165 wishes to convert the leasehold to freehold and seeks the Councils comments in relation to the proposal.

A copy of the maps is included in the papers relating.

Statutory Environment

Department of Lands, Shire of Dundas Town Planning Scheme No 2
Land Administration Act 1997

Policy Implications

Nil

Financial Implications

There are nil costs to the Shire in relation to freeholding land. However freehold may be more advantageous in rating issues as the Shire has more avenues available in relation to the recovery of outstanding rates.

Strategic Implications

Nil

Consultation

Chief Executive Officer
Department of Planning Lands and Heritage

Comment

There are no practical implications to the Shire in relation to whether land is freehold or there are leasing arrangements with the Department of Lands. Both are subject to the provisions of the town planning scheme and other legislative requirements, but the outcome for the lessor and the Shire would be more beneficial in retaining people in our community.
Voting Requirements

Simple Majority

**Officer Recommendation**

That the Council advise the Department of Planning, Lands and Heritage that the Shire of Dundas has no objection to Lot 963 on Deposited Plan 205165 Cornell Street, Norseman being converted from leasehold to freehold subject to the applicant being advised that any future development of the land must be in accordance with the provisions of the Shire of Dundas Town Planning Scheme.

Moved: Cr. Hogan
Seconded: Cr. Warner

**Resolution**

That the Council advise the Department of Planning, Lands and Heritage that the Shire of Dundas has no objection to Lot 963 on Deposited Plan 205165 Cornell Street, Norseman being converted from leasehold to freehold subject to the applicant being advised that any future development of the land must be in accordance with the provisions of the Shire of Dundas Town Planning Scheme.

Summary

Councils existing water cart is beyond its due date and required trading.

Background

The Shire water cart is a small 6x4, 13,000 litre water cart that was carried over several years and now requires replacement. Additionally, the vehicle type is increased to a semi-trailer type size vehicle to increase the water delivery capacity, as approved by Council on 23rd June 2020.

Statutory Environment

Local Government Act 1995

Policy Implications

As per plant Replacement policy.

Financial Implications

As per budget costings.

Strategic Implications

Efficient plant replacement program is paramount in achieving strategic objectives of the Shire.

Consultation

Chief Executive Officer
Manager of Works and Services

Comment

There are 3 submissions that come under the tendered budget value, HINO, FUSO and UD. After deliberating on each of these trucks it comes down between the HINO and UD with quality. The UD tips others with operator working area, engine, suspension and driveline. Other companies to provide quotes was the dealer for Volvo and Mack, with one for Freightliner being received after the closing date.

Comment

The overall pricing for the 3 new vehicles from each of the suppliers Avon Isuzu supplied a trade price for the PO vehicle but not the CDO vehicle. Therefore, Avon Isuzu total quoted value for all 3 cars is $119,320.

Golden City Motors quoted on all vehicles with a total quoted value for all 3 cars is $97,404.30.
Trade-in Toyota Hilux $27,782.50 inc gst and Subaru Forrester $17,981.00 is included in the outright purchase of 2 of the vehicles. With an outright purchase for the Tradie ute, with the old Tradie ute retained by the Shire for Community use.

Summary

For the Council to consider the retaining the existing water cart.

Background

The Shire water cart is a small 6x4, 13,000 litre water cart that was carried over several years and due for replacement. However due to current condition most truck dealers did not take up option to offer a trade, however one dealer offered $15,000 for the water cart. The truck is in reasonable condition that with minor repairs and a limited workload could continue to serve the Shire for a number of years to come.

Statutory Environment

Policy Implications

T.5 – Plant Replacement Program
Plant is to be sold, replaced, or changed over when:
- An optimum return is possible.
- The cost of maintenance, repairs and parts are considered excessive.
• The plant has reached the end of its useful life.
• It no longer meets the operational requirements of the Shire.

T.6 – Shire Plant and Equipment – After Hours Use
The Chief Executive Officer is authorised to permit the after-hours use of the Shires plant and equipment at no cost provided that the plant and equipment:
• Is used to facilitate works for a local community organisation or sporting body.
• Is operated by appropriately trained and authorised Shire employees only.
• Does not leave the Shire of Dundas.
• Is available at the depot and does not involve unnecessary transportation.
• Is returned to the depot in time for normal Shire operations.

T.7.- Operation of Shire Plant
That all Shire plant and equipment is to be operated only by authorised personnel, and that the Chief Executive Officer and/or Manager of Works are the only persons permitted to provide that authorisation.

Financial Implications

There are a number of financial implications to consider in relation to the cost of providing the Community Loan Vehicle namely:
• Licencing/ registration.
• Insurance – comprehensive & 3rd party; a $1500 excess applies to Shire vehicles.
• Servicing, repairs and maintenance.
• Garaging/ storage; and
• Fuel

Some of these costs are difficult to quantify as the individual cost of vehicles are not itemised and some are included in “fleet” costs i.e., insurance.

Strategic Implications

Efficient plant replacement program is paramount in achieving strategic objectives of the Shire.

Consultation

Chief Executive Officer
Manager of Works and Services

Comment

The current water cart has been used extensively around the Norseman townsite, washing down the streets of dirt, dust and any foreign matter to clean the town.
The new water cart being a larger sized water cart can be used for this use but not fully suited for the role. The current water cart also is utilised as a water storage fill point during the high fire season.

In this role the water cart only sits at a location close to the fire supplying water to fire fighters, the larger watercart is not suited for this role though could still be utilised but not as efficiently as the small water cart.
With some minor modifications the small water cart can be retro fitted for tree watering. And can also be used as a back-up water cart to the larger watercart.

Summary

For Council to consider receiving the Information Bulletin for the period ending 28th February 2021.

Background

The Councillors’ Information Bulletin for the period ending 28th February 2021 was completed and circulated to Councillors.

Statutory Environment

Local Government Act 1995

- Section 2.7(2) - Provides that Council is to oversee the allocation of local government finances and resources and to determine the local government policies.
- Section 3.1 – Provides that the general function of the local government is to provide for the good governance of persons in its district.

Policy Implications

Council has no policies in relation to this matter.

Financial Implications

The recommendation of this report has no financial implications for Council.

Strategic Implications

Keeping Councillors informed in respect to matters impacting on their role as Councillor.

Summary

For the Council to consider and, if thought appropriate to adopt a new policy relating to financial hardship.

Background

That Order provided for the adoption by local governments of Financial Hardship policies.
The Order also provided for limits on the interest that may be imposed by local governments that do not adopt Financial Hardship policies.

Statutory Environment

The Local Government (COVID-19 Response) Order 2020 modifies the operation of certain sections of the Local Government Act 1995 and (where applicable) the corresponding regulations.
Most relevantly to this report, it changes the interest rates that may be applied under the Act and the Local Government (Financial Management) Regulations 1996 so that the maximum interest rates that can be charged are as follows:

<table>
<thead>
<tr>
<th></th>
<th>s6.13 Interest on money owing</th>

<td>8%</td>
</tr>
</tbody>
</table>

The Order also provides that the instalment administration charge cannot be imposed on "excluded persons".

**Excluded person** means a person who –  
(a) as a residential ratepayer or small-business ratepayer of a local government; and  
(b) is considered by the local government to be suffering financial hardship as a consequence of the COVID-19 pandemic.

Policy Implications

This report recommends the adoption of a new policy.

Financial Implications

It is difficult to assess the financial implications in advance of seeing how many Financial Hardship Applications are received and how many are assessed as complying with the policy.

Strategic Implications

There are no strategic implications resulting from the recommendation of this report.

Summary

For the Council to consider and, if thought appropriate, extend the term of Contracts RFT03-18 and RFT01-18.

Background

The following tenders were publicly invited in 2018:

- RFT 01/18 Panel Tender for Plant Hire
- RFT 03/18 Provision of Handyman Services

And after the tender selection process was finalised, resulted in the following resolutions:

Ordinary Council Meeting – 22nd November 2018

**RFT 01/18 Panel Tender of Plant Hire**

Moved Cr Wyatt
Seconded Cr Bayley

That Council:

1. Award RFT 01/18 Preferred Supplier Panel – Plant Hire to Norseman Concrete for a period of two years from 1 December 2018 to 1 December 2020, in accordance with the tendered documents and pricing included in confidential schedules; and
2. Direct the Chief Executive Officer to sign a Formal Instrument of Agreement (as contained in the papers relating) with the General Manager of Norseman Concrete.

Ordinary Council Meeting – 22nd November 2018

**RFT 03/18 Provision of Handyman Services**

Moved Cr Wyatt
Seconded: Cr Bayley

That Council:

1. Award RFT 03/18 Provision of Handyman Services to Bonza Constructions for a period of two years from 1 December 2018 to 1 December 2020, in accordance with the tendered documents and pricing included in confidential schedules and

2. Direct the Chief Executive Officer to sign a Formal Instrument of Agreement (as contained in the Papers Relating) with Bonza Constructions.

Statutory Environment

Section 3.57 of the Local Government Act 1995 states that:

Tenders for providing goods or services
(1) A local government is required to invite tenders before it enters into a contract of a prescribed kind under which another person is to supply goods or services.
(2) Regulations may make provision about tenders.

Regulation 11 of the Local Government (Functions and General) Regulations 1996 provides that

(2) Tenders do not have to be publicly invited according to the requirements of this Division if —

(a) the contract is a renewal or extension of the term of a contract (the original contract) where —
   (i) the original contract is to expire within 3 months; and
   (ii) the renewal or extension is for a term of not more than 12 months from the expiry of the original contract; and
   (iii) the contract for renewal or extension is entered into at a time when there is in force a state of emergency declaration applying to the district, or part of the district, of the local government.

Policy Implications

There are no policy implications resulting from the recommendation of this report.

Financial Implications

There are no financial implications resulting from the recommendation of this report.

Strategic Implications

There are no strategic implications resulting from the recommendation of this report.

Comment

The tenders for “Plant Hire” and “Provision of Handyman Services” were due to be publicly invited early 2021 as the term for the current awarded suppliers has concluded.

Due to the time constraints and capacity of the current staff, these tenders have not yet been advertised and with the current upcoming and ongoing workload, this is not likely to happen soon.

An example of the current projects and tasks that our staff are currently working towards is:
• The Community Strategic Plan
• The Road Strategy
• The 10 Year Long Term Financial Plan
• The 10 Year Asset Management Plan – including the works to condition assess all the Council assets
• The Woodlands Cultural and Visitor Centre Stage 1 finalisation and then the Grand Opening
• Preparation of the 2021/2022 Budget to have ready for adoption in July 2021

We must be vigilant during any tender process. Dedicated time and effort will be required from staff to ensure the process is done in accordance with Council Policy and its governed legislation. As is shown in this report, staff currently have a high capacity of work which would not allow dedicated time at this stage to complete the tender process.

I would like the Council to consider granting an extension of the current term of the contracts for a period of 12 months; this would amend the current period granted to 1 December 2018 to 1 December 2021.

### Summary

1. To report to Council the authorisation granted from the Shire President to transfer surplus funds from the Norseman Races Budget to the Woodlands Cultural and Visitor Centre Capital Budget to allow for the expenditure of the essential emergency works item “roof walkway”.

2. And for the Council to be informed of the emergency purchase of the construction and installation of the “roof walkway” at the Woodlands Cultural and Visitor Centre in accordance with the Council's Purchasing Policy – Emergency Purchases.

### Background

1. Due to regrettable circumstances, the Norseman Cup was not held at the full capacity this financial year which would have seen horse racing and evening events. This has resulted in funds being made available within the Shire Norseman Cup Events Budget which was to be utilised for prize money and other authorised contributions from the Shire.

2. It was also recently identified during the final completion of construction of the Woodlands Cultural and Visitor Centre that a roof walkway is required for safety reasons. These safety reasons being the ability to safely install signage and to maintain the lighting in the long term. The signage is to be installed before the official opening on the 26th of March 2021, and to ensure this is done safely, a roof walkway would need to be installed as soon as possible to prevent injury or death.

The surplus funds from the Norseman Cup Events Budget would assist to fund this safety requirement.

### Statutory Environment

*Local Government Act 1995 – Division 2 – Annual Budget* provides that:

6.8. Expenditure from municipal fund not included in annual budget

(1) A local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure —

(a) is incurred in a financial year before the adoption of the annual budget by the local government; or
(b) is authorised in advance by resolution*; or
(c) is authorised in advance by the mayor or president in an emergency.

Comment

As per Section 6.8 of the Local Government Act 1995, authorisation was given in advance by the Shire President in the form of a signed letter to transfer the surplus funds of $18,000 from the Norseman Cup Events Budget to the Woodlands Cultural and Visitor Centre Capital Budget. This letter is available in the papers relating.

The reason for this amendment is to assist in funding the emergency purchase of a roof walkway at the Woodlands Cultural and Visitor Centre. Once authorisation was given in advance by the Shire President, a purchase order was issued to Safemaster Safety Products Pty Ltd for $46,508 (including GST) to carry out the fabrication and installation works of the roof walkway. This supplier has shown work integrity and the ability to supply in short time constraints as they have previously been a sub-contractor of the original construction works of the Woodlands Cultural and Visitor Centre. An attempt to source other quotes via phone was done, however the timeframe to supply and being that there was no knowledge of the building from other suppliers meant the works could not be done by them in the timeframe required.

Background

Each year, Council is required to complete an annual compliance audit return (CAR) for the calendar year immediately preceding (1st January to 31st December) as published by the Department for Local Government and Communities. The CAR is then to be reviewed by the Audit Committee and a report presented to Council prior to the adoption of the CAR.

This year, the CAR was reviewed and completed by Moore Australia. Tanya Browning, Manager Local Government Advisory, from Moore Australia attended the Shire offices on 22 February 2021, during which time the CAR was completed through interviews with senior staff and the inspection of various documents and records including:

- Minute books
- Tender Register
- Financial Interest & Return Register
- Complaints Register
- Delegations Register
- Council’s Website

The CAR is one of the tools that allow Council to monitor how the organisation is functioning in regard to compliance with the Local Government Act 1995 and provides the Audit and Risk Committee the opportunity to report to Council any cases of non-compliance or where full compliance was not achieved.

This process also provides opportunity for the Audit and Risk Committee to consider matters that may require further review within ongoing risk framework assessments and actions.

The Audit & Risk Committee reviewed the CAR at its meeting held 30th March 2021 and resolved to recommend the adoption of the report to the Council and that the Shire President and Chief Executive Officer be authorised to sign the Compliance Audit Return for submission to the Department of Local Government. Minutes of that meeting are attached to this report as well as the 2020 CAR.

Through the completion of the 2020 CAR, there were instances of non-compliance noted, particularly relating to matters which relate to recent changes to legislation, and to procurement under $250,000 where insufficient evidence was available to support compliance with Council’s purchasing policy. It was noted with management it is very difficult to declare during the review period the appropriate number of quotations had been obtained for every purchase (particularly low value purchases) in accordance with the purchasing policy.

A summary of matters noted during the completion of the 2020 CAR is attached for information. The attached summary also notes general improvement opportunities to systems and processes which were identified through the completion of the CAR. These improvements may assist the Shire in its risk management activities and endeavours towards continual improvement of administrative and compliance functions.

Statutory Environment

Regulation 14 of the Local Government (Audit) Regulations 1996 provides that:
(1) A local government is to carry out a compliance audit for the period 1 January to 31 December in each year.
(2) After carrying out a compliance audit the local government is to prepare a compliance audit return in a form approved by the Minister.
(3A) The local government’s audit committee is to review the compliance audit return and is to report to the council the results of that review.
(3) After the audit committee has reported to the council under sub regulation (3A), the compliance audit return is to be —
   (a) presented to the council at a meeting of the council; and
   (b) adopted by the council; and
   (c) recorded in the minutes of the meeting at which it is adopted.

Regulation 14 of the Local Government (Audit) Regulations 1996 details the requirements regarding certifying the CAR and issuing to the Departmental CEO.

Section 7.13(1)(i) of the Local Government Act 1995 refers to the provisions within regulations regarding audits.

Summary

For the Council to consider changes to our agreement and ownership in the GVROC managed Goldfields Records Storage Facility.

Background

Goldfields Voluntary Regional Organisations of Councils (GVROC) applied for and received around $1M in funding from Royalties for Regions regional allocation of the Country Local Government Fund (CLGF) to construct a regional archive facility. The facility was proposed to be utilised by local governments in the GVROC area to store archived records and excess capacity was to be offered to businesses in the region.

At the Ordinary Council Meeting held on 15th May 2012 Council resolved:

Resolution

That the Shire of Dundas supports the establishment of the Regional Archive Facility by the GVROC and will allocate $18,500 in the 2012/13 budget as the Shires contribution to the first-year operating costs.

In May 2019 after some Councils indicated their intention to retire from the arrangement, GVROC resolved:

RESOLUTION: Moved: Cr Tracey Rathbone – Shire Coolgardie Seconded: Mr Jim Epis – Shire of Leonora

That the GVROC Council
1. Agree to sell the Goldfields Records Storage Facility
2. Agree to wind up the Goldfields Record Storage Facility as a records management facility
3. Request the Chair of GVROC CEO Group prepare a report on legalities of (1) and (2) above and present to GVROC CEO Group Meeting on Friday 24th May
4. Request the GVROC CEO Group discuss at the meeting on 24th May how to legally proceed with this resolution
5. Request at the GVROC CEO Group Meeting on the 24th May 2019 each CEO provide intention of whether or not they wish to remain as a collective to utilise the facility as a Record and Archive Facility
6. Advise the Shire’s of Wiluna and Ngaanyatjarraku that they have foregone their rights of the share of assets in the Joint Venture

Following, at the Shire of Dundas Ordinary Council Meeting on 21st May 2019 Council resolved:

Resolution

That the Council of Shire of Dundas agree to continue with the current arrangement in relation to the GVROC Regional Archive Facility subject to,
1. No additional capital contribution is required towards the facility, and
2. Annual operating cost to be within the current level for a similar number of storage boxes.

The future of the Records Facility has been an ongoing issue since, until the February GVROC meeting in which it was decided that the City of Kalgoorlie-Boulder would acquire the building for $450k. With agent fees and settlement this should nett somewhere around $430 - $435k.

Following this, an email, included in Papers Relating, was sent by John Walker (CEO of CKB) to the remaining CEO’s, offering options in terms of investing in, and future use of, the facility following the change of ownership.

Policy Implications

A.5 – Record Keeping and Management Policy

Financial Implications

In 2018/19, the Shire of Dundas paid a $17,600 membership contribution to Goldfields Record Storage and receives free storage for the first 100 boxes (currently there is approximately 85 – 90 stored). We have not been invoiced and no amount paid in 2019/20 or 2020/21, other than the member contribution to GVROC of $11,000.

The Shire currently stores Minutes and Rate book archives with a Perth based storage facility, ZircoData, at a cost of $1922.88 per year and has the option of relocating records from GRS to this facility. A tentative quote received in June 2020 for transport and storage for relocating records from GRS to ZircoData are included in Papers Relating. Please note, this does not include cost of properly preparing boxes for transport by either Shire officers or contractor.

A consultant is currently being utilised to assist with records management at a cost of $88.00 per hour. It is anticipated that this, or something similar, will continue into the new year. Taking into consideration the possible shift to a new electronic Information Management system in the next financial year, the Records Officer has estimated consultancy fees to be approximately $25,000 for 2021/22.

Strategic Implications

The Regional Archive Facility was the first project identified by the GVROC as being of regional significance and this may be an opportunity to be further involved in its development and operations.

Comment

Ten shareholders in GRS means each has a 10% stake and will receive around $43k for their share, should they sell. The CKB will acquire each share that is withdrawn unless other Shires wish to increase their investment.

Council must decide if it wishes to sell our interest or retain our 10% ownership in the building and continue to use Goldfields Records Storage with the option to increase our 10% holding to a higher amount (all Shares to be in 10% increments).

As per Mr Walker’s email, CKB has indicated that only those Shires with a financial interest in the ownership will be able to access the facility after the change of ownership. It is unclear at this stage if this means the Shire will not have the option to use the facility as a commercial business would if we were to withdraw.

No indication has been given as to whether the GRS will continue to be manned and/or how archives will be accessed and retrieved, or how disposal will be managed.

Council should take into consideration the location of its archives and ease of access. Transport to and from GRS is relatively inexpensive due to Shire officers being able to achieve this when travelling to Kalgoorlie for other Shire business. Records stored at ZircoData can be easily accessed via scanning of documents, but there would obviously be a cost for transport.

Correctly preparing boxes to relocate to ZircoData, as per their specifications, is likely to be an arduous task, that may require engaging a contractor.

Regardless of the outcome of the records storage facility, the Shire has its own obligation to maintain a level of record storage to comply with the State Records Act 2000.
