#### Summary

For the Council to consider adding a new reserve to the current 2022/23 Financially Backed Reserves and for funds to be transferred from existing reserves to fund the new reserve.

#### Background

The Shire has recently endorsed a draft business plan for the consideration of the purchase of the Norseman IGA and the Norseman Post Office Agency.

A valuation of the Business was recently prepared which involved:

- Assessment of the historical unaudited financial statements of the Business for the years ended 30 June 2019 to 30 June 2022
- The most recent management accounts available (for the period ended 31 October 2022)
- Assessment of appropriate valuation methodologies
- Calculation and determination of applicable valuation multiples and discount rates to apply to the respective valuation methodologies adopted
- Illustration of values assess based on the most appropriate valuation methodologies adopted.

Based on this valuation report, the Shire won't be able to meet the loan repayments based on a 10-year term and an interest rate of 6%, if it borrows \$1.75 million. However, should the funding be secured by withdrawing from the Shire's Financially Backed Reserves, the Shire should expect to receive a suitable return for the risk exposed through the acquisition of the Business.

### Statutory Environment

As per Section 6.11. of the Local Government Act 1995 –

#### **Reserve accounts**

(1) Subject to subsection (5), where a local government wishes to set aside money for use for a purpose in a future financial year, it is to establish and maintain a reserve account for each such purpose

(2) Subject to subsection (3), before a local government — (a) changes\* the purpose of a reserve account; or (b) uses\* the money in a reserve account for another purpose, it must give one month's local public notice of the proposed change of purpose or proposed use.

### Policy Implications

There are no policy implications resulting from the recommendation of this report.

### Financial Implications

The Financially Backed Reserves contained in the 2022/23 budget will be amended should Council accept the recommendation of this report.
