Summary

For the Council to consider and approve the Annual Report for the financial year ended 30th June 2021 (as included in the papers relating) and to set the date for the Annual Electors Meeting.

Background

The Audited Annual Financial Report and Auditor's Report were presented to the Audit Committee held on 17th January 2023 and the Council resolved the following:

That the Audit Committee recommend to Council that:

1. The audited Annual Financial Report for the Year Ended 30th June 2022 be received.

2. The Independent Auditor's Report for the Year Ended 30th June 2022 be received.

3. The Audit Final Management Letter be received.

Statutory Environment

The Local Government Act requires that the local government accept the Annual Report by the 31st December following the year subject to the audit report being available. If the audit report is not available to allow the local government to accept it by that date, then the annual report needs to be received within two months of the audit report being received. Due to changes in the new Financial Standards introduced by the Office of the Auditor General there was a delay in receiving the Financial Statements causing subsequent delay in the Annual Report being adopted.

The Act also requires that a General Electors Meeting be held within 56 days of the local government accepting the annual report of the previous financial year.
