WARNER, Sharon

My family and I have lived and worked in this community for over 20 years. I have raised my 4 children here and now my grandchildren are being raised here. I belong and support many Community Groups. I also volunteer as a Swim coach/teacher & community bus driver. Community groups connect people, resources and support our Shire and play an important role in our community. I fully support Local business and am always looking for ways to encourage growth in business in our community. I would love to see more families return to town and I work with the school for better outcomes for our students. Building good partnerships from the school to local business, community groups, visitors and residents. We need to stop the decline in health resources for our communities and keep families together.
