SCHULTZ, Valma

I have served for the past two years as Councillor in Norseman and I believe you can truly make a difference in life if you are willing to make a stand and step forward to challenge yourself.

I want to make a change in my Community and it may be a small part by being elected again and to share the huge diversity of my Culture and Country which I am very Proud of.

Born in Norseman almost on the netball court, educated here and my children educated here now my Grandchildren also.

My Family are involved in and around OUR community and are very supportive helping OUR community succeed.

Just by Nominating as a councillor I hope that this will encourage our young men and women to follow and then lead their lives to higher initiatives and better wellbeing.
