My name is Raylene,

I have been a regular visitor to Norseman since my family first moved here in 1993. I moved here permanently in 2020 and have been an active member of the community ever since. The attributes I embody are transparency, integrity and clear and open communication.

I believe that a local government should be transparent and accountable in the way it conducts its business and that people in the community should have every opportunity to participate in their local government.

I am passionate about assisting the aged community to promote well-being, socialisation and contribution.

I am keen to promote employment for locals in our community and to promote the development of small businesses in our Shire.
