I've lived in Norseman for over 25 years. It's where I raised my family and now I'm lucky enough to watch my grandchildren grow up here. This community means a lot to me. Building and strengthening community doesn't just happen, it takes all of us. That's why I volunteer in local Community groups. I have Volunteered as a swim Coach, Community bus driver, delivered craft workshops for all ages ,and I always support Community events. Local business is important for our Shire and I would love to see more opportunities created here in Norseman and along the Eyre Highway. I want Norseman to be a place where families, seniors and people with disabilities feel safe and supported, with well maintained roads and footpaths, better lighting, upgraded sports grounds and parks. I'm also committed to working with council to push for better services from the state Government especially in areas like health, housing and social support which are vital for the wellbeing of rural communities like ours.
