Enrolment status	WEBB, Lynn is eligible to stand for election as a resident of the Shire of Dundas.

We moved to Norseman as a family of 5 in 1987. I worked in the mining industry as a maintenance mechanic, supervisor and contractor until 2005 and since then as a photographer in mining and environment.

I have been involved with the community of Dundas Shire in many forms over the years with the intent of maintaining and progressing our community attributes and social amenities.

These have included tourism and promotion of our unique and diverse environment and 12 years as a Dundas Shire councillor, with 4 years as President and 4 as Deputy President.

I have been, and still am committed to developing our Shire and maintaining our special and unique quiet lifestyle as a part of the process.

I am keen that those making decisions affecting our existence, remotely and with little concept or care of their impact on us, are let know that we have a right to self determination and as a strong community will be heard.
