

Guidance Notes

In order for the application for development approval to be **validly accepted** for assessment and determination, this form must be fully completed, be signed by the registered proprietor/s (owner/s) of the land the subject of this application, and be accompanied by the information listed in **Schedule A** to this form, and payment of the **prescribed application fee** as set out in **Schedule B** to this form.

Upon receiving the completed and signed application, the prescribed accompanying information, and payment of the prescribed application fee, the Shire has **7 days** in which to validate (or otherwise) the application and notify the applicant accordingly in writing. Upon validation of the application, the statutory timeframe for assessing and determining the application for development approval will commence.

Where the Shire deems that **public notification** of the application is required to be given, the statutory timeframe for determination of the application is **90 days** from the **application validation date**. If the Shire deems that public notification of the application is not required to be given, then the statutory timeframe for determination of the application is **60 days** from the **application validation date**.

If the application for development approval has not been determined by the Shire within the applicable statutory timeframe, then the application is deemed not to have been approved. Consequently, the applicant may apply to the State Administrative Tribunal (SAT) for it to review and determine the application. Notwithstanding, the Shire may still proceed to determine the application.
