RECORDING OF THE ORDINARY COUNCIL MEETING HELD 21 JULY 2026

The Shire of Dundas advises that it is not possible to publish an audio recording of the Ordinary Council Meeting held on 21 July 2026.

A video/audio recording of the meeting was attempted using the Shire's recording technology. However, due to an unexpected technical failure, no audio was captured. The issue was not identified until the recording was viewed after the meeting had concluded.

As the technical failure was not apparent during the meeting, it was not reasonably practicable to make an improvised recording.

The written minutes of the meeting will continue to be prepared and confirmed in accordance with the *Local Government Act 1995*.
